

Native Plants Day

at the Harris
Nature Center
3998 Van Atta Road
in Meridian Twp

Native Plants, Shrubs and Trees are available to order now and pick up on May 4th at the Harris Nature Center.

Saturday, May 4
9 am - 1 pm

Want to make gardening easier?

Try adding native plants!

They thrive in Michigan and attract birds and butterflies to your garden and yard. These native beauties can be added to an existing garden or form the foundation for a new one.

- ☼ Native plants on site for purchase
- ☼ Wildflowers, grasses ferns, shrubs, trees and complete garden sets available
- ☼ Talk to the experts
