

All About Bats

Campfire and Program

at the **Harris
Nature Center**
3998 Van Atta Road
in Meridian Twp

**Saturday June 22
at 7 pm**

The summer skies are full of bats swooping and feeding as the sun sets.

This program will bust some common myths while sharing information on bat habits and characteristics.

Participants will also enjoy time around the campfire, making s'mores and a guided walk.

**\$3/person or \$7/family
payable at the program**
