**Meridian Township Reopening Plan Featured During Upcoming Webinar**  
*Michigan Townships Association (MTA) Invites Township Manager to Present Plan*

**Meridian Township, MI** – On Wednesday, June 10th Meridian Township Manager Frank L. Walsh will represent Meridian Township in a Michigan Townships Association (MTA) live webinar.

The MTA represents approximately 1,280 Michigan townships. This week, the MTA chose two communities to present at a statewide webinar for township elected officials. The focus will be on the steps townships are taking to help stimulate the local economy and facilitate a successful reopening. In Meridian Township, the creation of a COVID-19 Hotline, Meridian EDC Small Business Relief Grant Program and the installation of Portable Outdoor Service Centers will be part of the presentation.

“Our Meridian Township TEAM is proud to be given the opportunity to share our efforts with the entire state of Michigan. During the past three months, we did everything we could to serve our 43,000 residents during COVID-19. Caring for our residents is why we are here,” said Meridian Township Manager Frank L. Walsh.

MTA Executive Director Neil Sheridan will host the live webinar and discussion with a member from the Small Business Association of Michigan, Meridian Township Manager Frank L. Walsh and Green Lake Township Supervisor Marvin D. Radtke, Jr.

The webinar will take place on Wednesday, June 10th at noon. Registration information is available on the Township website at [www.meridian.mi.us](http://www.meridian.mi.us).

###

The community of Meridian Township is in close proximity to the Michigan State Capitol and Michigan State University. The Township serves the community through exceptional services, beneficial amenities and an outstanding quality of life. It is a welcoming community that celebrates quality education, recreation and lifestyles.
