Re: Lake Lansing Special Assessment District Renewal (2018-2027)
Resolutions 1 & 2

Lake Lansing Special Assessment District (SAD) - (2018-2027) Resolution #1 & #2 is attached for your consideration. Since 1998, a special assessment district provided for the funding to manage and improve the quality of Lake Lansing. As a result of the SAD, the overall quality of the lake has vastly improved. The current SAD was established for ten years from 2008 to 2017, and is set to expire this year. The Lake Lansing SAD advisory committee and staff believe that in order to ensure the sustainability of this unique natural resource and its economic vitality, it's crucial that the lake SAD is renewed.

The following motion is offered for your consideration:

"Move to approve Lake Lansing Watershed Management Special Assessment District (2018-2027) - Resolution #1 & 2 which files the plans and cost estimate with the Township Clerk, tentatively declares the Township Board's intention to continue to make the public improvements of watershed management and weed control in Lake Lansing for an additional period of ten years, tentatively designates a special assessment district, and sets the date for a public hearing on August 7, 2017.

RESOLUTION 1 & 2

At a regular meeting of the Township Board of the Charter Township of Meridian, Ingham County, Michigan, held at the Meridian Township Municipal Building, 5151 Marsh Road, Okemos, MI 48864-1198, on Thursday, July 18, 2017 at 6:00 p.m.

PRESENT: _____

ABSENT: _____

The following resolution was offered by _____
and supported by _____.

RECITATIONS:

The Township Board has received a recommendation from the Lake Lansing Advisory Committee, pursuant to Act 188, Public Acts of Michigan, 1954, as amended, to continue the public improvements of watershed management and weed control in Lake Lansing for an additional period of ten years. The cost of the public improvements is to be financed by a special assessment district on certain properties in sections 2, 3, 10, and 11 to be specially benefited thereby.

The Lake Lansing Advisory Committee has requested the total assessment be increased from \$80,000 to approximately \$90,000/year. The Township would retain the services of a consultant to continue to monitor the water quality, implement general lake management practices, including - but not limited to - aquatic plant control and improvements to storm water quality discharging into the lake.

The Township Board desires to proceed further with the public improvements.

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Township Board tentatively declares its intention to make the public improvement of watershed management and weed control in Lake Lansing for a period of ten years, which includes: retaining the services of a consultant to continue to monitor the water quality, implement general lake management practices, including - but not limited to - aquatic plant control and improvements to storm water quality discharging into the lake.
2. There is hereby tentatively designated a special assessment district against which the cost of said improvements is to be assessed, consisting of the lots and parcels of land described in "Attachment A".

- 3. The Township Board shall meet in the Meridian Township Municipal Building, 5151 Marsh Road, Okemos, MI on Tuesday, August 7, 2017, at 6:00 p.m. at which time and place the Township Board will hear objections to the improvement and to the special assessment district therefore. All objections must be filed in writing.
- 4. The Township Clerk is hereby ordered to cause notice of such hearing and the fact that the Township Board is proceeding on a proper request to be published twice prior to said hearing in a newspaper of general circulation in the Township, the first publication to be at least ten (10) days before the time of the hearing, and pursuant to Act 188, Public Acts of Michigan, 1954, as amended, shall cause said notice to be mailed by first class mail to all record owners of, or parties in interest in, property in the special assessment district, at the addresses shown on the current tax records of the Township, at least ten (10) full days before the date of said hearing.
- 5. Said notice shall be in substantially the attached form.
- 6. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same are hereby rescinded.

NOTICE OF HEARING

**TO THE RECORD OWNERS OF, OR PARTIES IN INTEREST IN, THE FOLLOWING
PROPERTY CONSTITUTING THE PROPOSED SPECIAL ASSESSMENT DISTRICT:**

(SEE "ATTACHMENT A")

PLEASE TAKE NOTICE that the Township Board of the Charter Township of Meridian, acting on a request from the Lake Lansing Advisory Committee, has determined to make the following described public improvements: Watershed management and weed control in Lake Lansing for a period of ten (10) years, which includes: retaining the services of a consultant to continue to monitor the water quality, implement general lake management practices, including - but not limited to - aquatic plant control and improvements to storm water quality discharging into the lake; and to defray the cost thereof by special assessment against the properties specially benefited thereby.

TAKE FURTHER NOTICE that the Township Board will meet Tuesday, August 7, 2017, at 6:00 p.m. at the Meridian Township Municipal Building, 5151 Marsh Road, Okemos, Michigan 48864-1198, for the purpose of hearing objections to the request, the improvements, and the special assessment district therefore. The Township Board is also interested in hearing those that favor the proposed public improvement.

Appearance and protest at the hearing in the special assessment proceedings is required in order to appeal the amount of the special assessment to the state tax tribunal. Your personal appearance at the hearing is not required, but you or your agent may appear in person at the hearing and protest the special assessment. To make an appearance and protest, you must file your written objections by letter or other writing with the Township Clerk before the close of this hearing. The owner or any person having an interest in the real property may file a written appeal of the special assessment with the state tax tribunal within 30 days after the confirmation of the special assessment roll if that person appeared and protested the special assessment at this hearing.

"For purposes of this hearing, the Lake Lansing Watershed Special Assessment District (2018-2027) is divided into three tiers. The estimated amounts to be assessed annually for a period of ten (10) years for the three tiers are:

Lakefront Assessment or Tier #1	\$220.32
Secondary Tier or Tier #2	\$110.16
Lansing sailing Club	\$771.11

Please see the attached map for your tier designation.

Re: 6 Month Performance Report for 2017

On behalf of our Management Team (M-Team), I'm pleased to present the Township Board with the 6 Month Performance Report for 2017. The attached report is a bird's-eye view of our collective efforts since January 1, 2017.

2017 ACTION PLAN

Based on the 2017 Action Plan developed and approved by the Township Board, I'm pleased to present the following update.

A. Finalize adoption of the 2017 Master Plan.

We are in the final stage of adopting the 2017 Master Plan. There will be joint meeting between the Planning Commission and Township Board on July 24th to consider final review prior to adoption.

B. Implement a results-oriented strategy to redevelop and improve walkability of Downtown Okemos, Downtown Haslett, Carriage Hills Commercial Area, and the Grand River Corridor.

We are gearing up to bring forth a set of development tools in the aforementioned areas. While the eastern 1/3 of the Township is to remain in large part green, it is incumbent upon us to develop common sense tools to aid in the redevelopment of our urban core, which in places is decaying. In the coming months, we will evaluate our current flow chart in processing economic development projects. With the recent resignation of our Economic Development Coordinator, this is the right time to evaluate our internal pattern.

C. Continue our efforts to ratify five unresolved collective bargaining agreements and implement a decisive global strategy to eliminate our pension debt as outlined in the 2015 Municipal Employees' Retirement System (MERS) actuarial study.

As you are aware, we have two contracts that remain unsettled. Both the police command and police patrol are scheduled for P.A. 312 binding arbitration later this fall. We've settled 5 labor agreements and remain confident that the police contracts will mirror the fire contract. Our approach has always been fair, consistent and professional with our team members.

D. Implement a comprehensive Township wide branding strategy and website implementation at such a pace that doesn't place a major burden on our annual operating budget.

As you are aware, our new brand is up and running and the feedback from the community and regional partners has been very positive. I'm proud of the outcome and we look forward to the full roll-out of the brand in 2018-2019. We continue our efforts with the unveiling of the new website which we expect to go live in August.

E. Continue our collective efforts to foster an environment that is welcoming, diverse and inclusive.

Meridian Township is a diverse, welcoming and inclusive community. We are known for welcoming atmosphere and friendly community. We continue to work towards a more diverse workforce and will never settle for anything else.

F. Develop a plan that affords the community an opportunity to fund our exemplary police and fire departments at an appropriate level.

After two years of studying our police and fire funding issues, and our overall pension woes, the Township Board and M-Team have developed a plan to properly fund our public safety pension and services through 2026. The voters will go to the polls on August 8th to properly vet the plan. Chief Cowper, Chief Hall and I have attended 17 neighborhood meetings over the past two months to provide factual information regarding the proposal. We have another 15 to attend prior to August 8th.

G. Provide the requisite information to the Township Board for final consideration of adopting the Meridian Township Brownfield Redevelopment Plan & Authority.

Based on staff input, and the assistance from the Michigan Department of Environmental Quality, the Township Board has approved a Meridian Township Brownfield Redevelopment Authority which will commence in July of this year. Although there are no current projects currently requesting a brownfield, the local tool is available to the Township going forward.

H. Review and update the Township's Mixed Use Planned Unit Development (MUPUD) Ordinance.

To my knowledge, there has been no time allocated to the review and potential amendments to the Township's Mixed Use Planned Unit Development (MUPUD). We are prepared to begin the effort when the time is appropriate for the Township Board.

I. Continue to seek opportunities to reduce overall operating costs.

Our administration is always looking for ways to reduce operational costs. With the recent 2016 Audit Report, it is clear that the Township continues to add to our general fund every year and is preparing to dramatically begin paying off our \$3,500,000 non-public safety pension debt. We have saved nearly \$2,000,000 in the last three years which will help us in paying off pension debt not attributed to police-fire.

J. Draft and implement requirements for the licensing process associated with medical marijuana.

It is my understanding that the medical marijuana issue will come before the Township Board at our August Study Session. The schedule will be determined by the Supervisor.

ADDITIONAL ACCOMPLISHMENTS

Beyond the Action Plan, there are a number of other success stories in the first six months of 2017 that are worth noting.

Digital Antenna Systems (DAS)

After two years of discussion, we now have a comprehensive policy and manual for handling requests for DAS/Small Cell Wireless Systems into the Township's Rights of Way. This is a significant accomplishment and puts us far ahead of the curve with other Michigan communities struggling with the issue.

Celebrate Meridian-175th Anniversary

After much planning and foresight, we now can offer a true community celebration for every corner of the Township. The much anticipated event will take place this weekend on our campus and across Central Park Drive and the Meridian Mall.

Mount Hope Pathway

After years of discussions and promises the Mount Hope Pathway was extended this spring to connect to Okemos Road. The extension is certainly a long-awaited pedestrian safety improvement for our residents.

Towner Road Park

After years of planning and securing funding, the Parks Commission is moving forward with the construction of Towner Road Park. The multi-faceted park will bring much enjoyment to the community for decades to come.

Replacement of Ardmore and Towner Water Main

We are pleased to announce that the water main improvements on Towner and Ardmore will be completed by the middle of August. Both improvements were necessary infrastructure enhancements.

Spring Recycling Event

Meridian Township held an extremely successful Recycling event in April. According to sources we set a Guinness World Record with the number of electronics recycled in a 24 hour period. That's noteworthy.

Paving the Library and Removing Underground Fuel Tanks

This spring the parking lot at the Okemos Library was resurfaced and the underground fuel tanks at the Service Center are being removed this month. By taking care of the little things, you build and sustain a great community.

I'm very thankful to work side-by-side with an unparalleled, dedicated professional TEAM. We will continue our stalwart effort to serve the township with passion, pride and performance on every street, every neighborhood.

2016 Audit

The audit was completed and presented to the Board at the June 6th meeting. All additional required filings have also been completed. The contract agreement with the auditing service, Andrew Hooper & Pavlik, PLC, is up for renewal and we will soon begin discussing future options with the Township Board.

2018 Budget

The 2018 budget timeline has been distributed to the management team and reads as follows:

July 21	All budgets due to Finance Director
July 24 – Aug 4	Management review of requests and individual discussions
Aug. 14	Director discussions
Aug. 15	Board meeting notice for budget public hearing
Aug. 25	Recommended budget distributed to Board
Sep. 5	Board Meeting – Budget deliberations and public hearing
Sep. 19	Board Meeting - Final Adoption of 2018 Budget

Other Updates

- The application for the Certificate of Achievement for Excellence in Financial Reporting has been submitted. Results are expected from the Government Finance Officers Association (GFOA) in November.
- Cost saving options regarding utility bills are being explored, such as transitioning to printing bills on letter size paper verses the larger press and sealed bills that are being used currently.

Upcoming Projects

- Updating the purchasing policy
- 1st and 2nd Quarter budget amendments will be before the Board in July.

NOTE: Parcels highlighted in yellow, if any, are located in a capture district (e.g., DDA, etc.). Cases with red highlights, if any, have been listed in a Prehearing General Call.

The pending cases are being defended effectively; one 2016 appeal was resolved during the second quarter, resulting in a minimal loss in tax base. To date, three new Entire Tribunal cases have been received for 2017; most of the pending 2016 appeals have been amended to include the 2017 year. Notification to the Township of other new cases will occur over the next few months. Although receipt of additional cases is anticipated, unresolved, pending appeals are at a relatively low level. The amount of taxable value in contention for pending appeals represents a small portion of the Township's tax base (about 0.5 percent for each year). One of the current appeals is partially located in the Township's Downtown Development Authority (DDA) area. This is the drug store property currently occupied by Walgreens. Half of this property is located in the DDA area. Defense of the appeals listed above is being coordinated with the Township's legal counsel. Work will continue to resolve appeals fairly without going to trial where possible and strongly defending appeals where necessary.

Re-Inspection Program

The Assessing Department's annual re-inspection program is in progress and on schedule. Following interviews, interns were selected and have been provided with training. Field inspections are underway. Affected property owners were notified by mail concerning the program prior to inspections. Details regarding the re-inspection program, including maps showing affected parcels, have been posted on the Township's website. A continuing re-inspection program is an important component of a sound assessing operation.

Summer Tax Warrants

During June, efforts were made to coordinate with the Township Treasurer's Office with regards to 2017 summer tax billing. Tax roll warrants were reviewed and signed, authorizing the collection of 2017 summer taxes. In conjunction with tax roll warrant preparation, a millage rate chart was developed and posted to the Township's website.

COMMUNICATIONS/HOMTV

Communications Commission

The Communications Commission is researching additional funding opportunities for the HOMTV Internship Program and the Communications Department. The Commission approved a recommendation to the Township Board for 2018 equipment purchases and the disposal of old equipment.

Township Website

Vision Internet has completed the migration phase of the new website. We expect to go live with the new site in mid - late July.

- Staff received training in May
- Staff is reviewing pages with website users, super users and Department Heads
- Staff is working on a plan to migrate all documents to the new site

Township Branding

The new brand logo is being rolled out on the Township vehicles. Staff has received new ID cards and business cards. The town hall has a new branded flag and a branded informational/all-purpose tent to use for Township events. The Treasurer's drop-off box received an upgrade, new paint and the new brand logo. The 175th logo was added to the Township Municipal Building sign. The sign committee is working on other sign implementation plans for corridors to the Township, parks and trails. We thank everyone involved in these branding rollouts, so far.

Township DAS Strategy

On Tuesday, June 14, 2017, the Meridian Township Board adopted the DAS and Small Cell Policy to be used by the Township in negotiating a modified Metro Agreement and DAS Franchise Agreement for purposes of allowing DAS/Small Cell Wireless Systems into the Township's Rights of Way. They also approved a modified Metro agreement and DAS Franchise Agreement template.

Programming on HOMTV

HOMTV has revived two former interview programs on the channel, bringing back “Reflections” and “Who’s Who”. “Reflections” is a talk show program reflecting on Meridian Township’s history with longtime residents, business owners and Township employees. “Who’s Who” is a talk show program featuring influential leaders in the community.

The “Open Line” call-in show has also returned to the schedule. On June 29th, the live show is featuring the Meridian Township Police and Fire Protection Millage which will appear on the August 8th ballot. That episode will replay throughout the month of July leading up to the election. The next live show is scheduled for August 10th featuring both sides of the debate regarding Michigan’s No-Fault Auto Insurance.

Equipment

- A list of obsolete equipment was made and submitted to the Communications Commission for sale, donation or recycling. Upgrades from standard definition, obsolete formats, or otherwise no longer useful were put on the list to make room for new equipment.
- Inception, HOMTV’s new browser-based newsroom and editorial system has been rolled out and put into use. This allows HOMTV to streamline and improve social media coverage, editorial content and news production. This will improve the workflow, organization, and archiving processes, and increases the ability of HOMTV provide up-to-the minute news to reach Meridian Township’s residents.

- HOMTV has fully implemented changes from our video editing computers to Adobe Creative Cloud products which allows for smoother integration with graphics and editing. The newer workflow also helps ease the traffic on our Fibrejet video storage system cutting back on maintenance requirements.

Media Sponsorships

Agreements have been created for the following upcoming 2017 events:

- Meridian Township's 175th Anniversary Events
- MSU Safe Place – "Race for the Place" (April 9)
- Alzheimer's Association Great Lakes Chapter – expanded yearlong partnership for multiple events including: Lansing Caregiver Retreat (April 27), Alzheimer's Association State Advocacy Day at the Capitol (May 2), Rockin' for Rehab Benefit Concert (May 2) and the Walk to End Alzheimer's (September 24)
- Lansing 5:01 – partnership for multiple summer 2017 events
- American Heart Association – "Lansing Heart Walk" (September 16)

*Sponsorship agreements include in-kind donation of pre-event promotion across multiple platforms as well as coverage at the event.

HOMTV Studio Tours/Events

For the first time, HOMTV was listed as a destination spot for the Greater Lansing Convention & Visitors Bureau's "Be A Tourist In Your Own Town" event on June 3rd. Nearly 50 people stopped to tour the HOMTV studio and control room at the event.

As a sponsor of Meridian Township's 175th Anniversary Events, HOMTV had a booth at the "Fun in the Sun" event on June 16th. Communications Commissioners, staff and interns played Giant Jenga and Plinko with residents, handing out over 200 prizes.

HOMTV Internship Program

The spring 2017 semester of the Internship Program ended on May 5th with a total of twenty-five (25) interns. The following interns left the Internship Program from the spring 2017 semester with jobs in the television industry:

- Julie Dunmire – Reporter at KELOLAND TV in Sioux Falls, SD.
- Shannon Kelly – Multimedia Journalist at WIFR 23 News in Rockford, IL.
- Mandy MacPherson – Productions Assistant for a new talk show program with host Kellie Pickler in Nashville, TN.
- Rachael Schuit – Reporter/Producer at WILX-TV News 10 in Lansing, MI.

The summer 2017 semester of the Internship Program began on May 15th. The program currently has a total of twenty-two (22) interns for the summer. Eight (8) interns returned to the program from the spring 2017 semester. The fourteen (14) new interns spent the first few weeks in hands-on training workshops learning multimedia television basic skills. The new “Rookie” interns crewed their first Township meeting on June 6th and received their first assignments on June 2nd. The summer semester will end on August 18th.

- HOMTV interns contributed approximately 4,465 non-paid hours (April-June).
- Staff conducted 25 intern performance reviews (spring 2017 semester)
- Staff completed 154 intern examinations (summer 2017 semester).
- Received 26 new internship applications and resumes.
- 14 intern training workshops were conducted.
- Staff conducted 3 job shadows.
- Staff attended the following intern recruitment speaking engagements/career fairs:
 - Michigan State University (MSU) Career Services Employer Meeting (May 2nd)

COMMUNITY PLANNING AND DEVELOPMENT

Assist the Planning Commission and the Township Board with the Creation and Marketing of the 2017 Master Plan

The Township Board has received the Planning Commission’s final draft Master Plan. As required by the Michigan Planning Enabling Act, the required 63-day review period for surrounding communities, governmental agencies, utilities, and railroads has expired. A joint meeting of the Planning Commission and the Township Board will be held on July 24, 2017 to discuss any potential changes to the Master Plan, after which a public hearing will be scheduled.

Provide the Requisite Information to the Township Board for Final Consideration of Adopting the Meridian Township Brownfield Redevelopment Plan & Authority

The Township Board adopted a resolution establishing the Brownfield Redevelopment Authority (BRA) at its meeting on April 18, 2017. The Township Board appointed the seven member BRA Board at its May 16, 2017 meeting. Staff is currently in the process of reaching out to consultants and scheduling the first meeting with the BRA Board.

Implement a Results-Oriented Strategy to Redevelop Downtown Okemos, Downtown Haslett, and Carriage Hills Commercial Area, and Grand River Ave

Business visits have been conducted in the three Potential Intensity Change Areas (PICA's) indicated in the Master Plan. The Economic Development Corporation (EDC) is currently working on a draft Business Retention and Expansion (BRE) program, which will formalize the Township retention strategy.

Develop a Work Program for the Corridor Improvement Authority (CIA)

A 2017 draft work plan is currently under consideration by the CIA Board. The CIA will be reviewing and making changes to the proposed work plan at their regular meeting in June. The proposed work plan strives to build upon the 2017 Goals of the CIA. In their upcoming meetings, the CIA will begin to familiarize themselves with the Shaping the Avenue project.

Create an Economic Development Strategic Master Plan to Work in Conjunction with the Updated Master Plan

An Economic Development Strategic Plan must be completed as part of the Redevelopment Ready Communities (RRC) Program in coordination with the Michigan Economic Development Corporation (MEDC). RRC Certification will be necessary if the Township would like to be eligible to receive certain future economic development incentives.

Draft and Implement Requirements for the Licensing Process Associated with Medical Marihuana

The Township Supervisor has indicated the Board may discuss an ordinance addressing the uses associated with medical marihuana at a future study session in 2017. Previously, the Board could not reach a consensus on adopting an ordinance. In 2016, a series of bills were signed by the Governor which will allow medical marihuana dispensaries, grow operations and sales of medical marihuana in a municipality if the municipality adopts an ordinance allowing such activities. If an ordinance is not adopted, the activities cannot take place. The State of Michigan is supposed to draft and implement regulations and licensing processes for such uses by December 15, 2017.

Continue Building a Relationship with the Meridian Mall "What are their future plans?"

The Township has continued to meet with Meridian Mall to assist in their business needs. The General Manager has been appointed to the CIA, and the Assistant General Manager is serving on the EDC. The EDC is now including a Meridian Mall Report on their agenda in order to give the Mall a forum to update its status as well as to voice any potential business related issues. Recently, the Mall submitted a landscape plan and worked closely with Planning staff on the project in order to improve the Mall outdoor aesthetics.

Examination of PUD Changes to Allow Golf Courses to be Counted Toward Open Space Requirements

The Township Board at its Study Session on January 24, 2017 discussed a proposal to amend the Planned Residential Development (PRD) and the Planned Unit Development (PUD) ordinances to allow a golf course to be considered open space and counted toward the open space requirement. The intent of amending the existing ordinances was to give more flexibility in an effort to help preserve existing golf courses and as a way to create more meaningful open space. The Board at its meeting on June 20, 2017 decided to refer the amendment to the Planning Commission for a public hearing and a recommendation.

Modernize Zoning Ordinance

The Economic Development Corporation (EDC) has been discussing a strategy to address revisions to the sign ordinance and will continue the discussion throughout the year. The Corridor Improvement Authority (CIA) has also expressed interest in contributing to this project.

Investigate Vacant House Registration

As of June 16, 2017, there were 28 vacant residential dwellings in the Township. The building and code enforcement staff maintains a list of vacant dwellings. The list is updated on a regular basis. Visual inspections of properties, as well as, cross referencing code enforcement complaints and utility billing records provide the source for identifying vacant dwellings. Once identified, attempts are made to contact the owner, previous listed owner or other responsible party to ensure the property is secure and all maintenance standards are being maintained. There are approximately 12,000 single family homes in the Township.

Serve as staff to the Township's Transportation Commission

The Transportation Commission since its initial meeting in January has had presentations from Capital Area Transportation Authority (CATA), Michigan Department of Transportation (MDOT), Ingham County Road Department (ICRD), Michigan Public Transit Authority (MPTA), Derek Perry on the Township Pedestrian Bicycle Pathway Master Plan and LuAnn Maisner on the Central Park Master Plan. Based on the presentations and discussion with representatives from MDOT and ICRD the Commission made two recommendations to the Township Board. The first recommendation was for the Board to schedule a meeting with representatives from MDOT and members of the Commission to discuss ways Grand River Avenue can be modified to improve safety. The second recommendation was for the Board to support a request that the ICRD install audible signals on all four corners of the Okemos/Jolly intersection and install a pedestrian crossing on the east side of the Okemos/Jolly intersection. The Township Board at its meeting on June 20, 2017 adopted a resolution in support of the Transportation Commission's recommendation for Okemos/Jolly intersection. The Transportation Commission at its meeting in June will begin a discussion on Redi-Ride.

Review and Update the Township's Mixed Use Planned Unit Development (MUPUD) Ordinance

There has been no discussion at this time on an update of the Mixed Use Planned Unit Development (MUPUD) ordinance. The Township Board began discussing a review process for updating the MUPUD ordinance in April 2016. There was a discussion on giving Board Members time to submit comments on changes to the ordinance and to establish a committee of Board members and Planning Commission members to review and recommend changes to the ordinance. The Board made no decision on how they wanted to proceed. Some of the items in the ordinance that Board Members indicated they wanted to discuss were amenities, minimum land area of a project, the use of existing building(s) on a project site, design standards and the length of time for the Board to make a decision on a MUPUD. The last amendment to the Mixed Use Planned Unit Development was adopted in July 2011. Since that amendment eight (8) MUPUD projects have been approved.

FIRE DEPARTMENT

Fire and Police Millage

Manager Walsh, Chief Cowper, and Chief Hall presented to 14 homeowners' groups throughout the Township on the facts of the fire and police millage. More than a dozen additional presentations are scheduled between now and the election on August 8th.

Conferences/Trainings/Drills

- Chief Cowper attended the Homeland Security Conference in Grand Rapids in May. Expenses were funded by the Ingham County Sheriff's Department.
- Fire Inspector Millerov attended the Electrical Aspects of Fire Investigation course at the National Fire Academy in early May.

- Training/EMS Chief Priese attended the Fire Department Instructors Conference (FDIC) April 26-28 in Indianapolis.
- Several officers and senior firefighters have completed all or portions of their initial Blue Card Command Training. Thirty hours of continuing education is required for renewal every 3 years.
- Firefighters Booms, McDermott, and Farhat completed the 40 hours of training to become hazmat techs.
- Lt Gonzales and Firefighters Klem and Booms participated in the regional Train-the-Trainer Mayday and RIT course on June 19th.
- Chief Phinney and FF Lewis participated in the full scale active shooter drill with Delta Township Fire Department at the Lansing/Delta GM Plant on May 31st.

Other Departmental Updates

- Meridian Fire hosted the Metro Chiefs Lunch in April which included a special farewell to a longtime ELFD member.
- The new agreement between the Township and the Firefighter's Union reduced the minimum number of years required for becoming an acting lieutenant from five to three. Firefighters McDermott, Caretti, Weber, and Farhat completed their fire officer course this quarter. We now have four new acting lieutenants greatly reducing overtime costs.
- The City of Portage Fire Department toured the new central fire station on June 7th in preparation for building a new fire station.
- After participating in a yearlong committee with Ingham County fire and police departments, we went live with the Everbridge mass notification platform on June 1st. The new system is expected to revolutionize the way we callback for staffing.
- The Fire Prevention Division has been heavily involved in the planning process for the Celebrate Meridian and Gus Macker 175th Anniversary Events.

HUMAN RESOURCES

Contract Negotiations

Two contracts (POAM and CCLP) remain unsettled and are scheduled for 312 Arbitration. At this point, the Township and POAM have both submitted Position Statements to the Arbitrator. Act 312 continuance dates will be scheduled for approximately late August to mid-September. The Non-Supervisors Contract was signed on April 18, 2017 and the Administrative Professional Group has signed the Tentative Agreement, reviewed the newly updated contract, and it is expected that the contract will be signed by the end of June 2017. Once that contract is signed, all 4 non-312 units will be settled with new contracts on file.

Grievances

Five grievances were received from the MTFFA; all were resolved prior to arbitration; three were settled and two are being held in abeyance. One grievance was received from the CCLP. That grievance has been moved to arbitration with the hearing set for September 18, 2017.

Safety and Loss Prevention

The Township Safety Committee set a second quarter goal to provide mandatory Township-wide "Active Shooter Training." With the assistance of Ken Plaga, Assistant Police Chief, numerous training sessions, supported by video and key informational reference materials, were conducted throughout the month of April. We received positive feedback from employees regarding this awareness approach for employee safety measures in the event of a violent act. The next Township-wide training will focus on Workplace Violence Prevention to be covered in the third or fourth quarter.

Personnel

Twenty-three (23) employees were on-boarded this quarter; three (3) new full time employees included Police Officer Stephanie Lewis, Assistant to the Clerk Bob Cwierniewicz (replacing retiree J. Horvath) and PT Code Enforcement Officer Randall (Joe) Wade (replacing S. McGuire-voluntary quit for another job). Nineteen (19) temporary hires included employees as seasonal summer workers in DPW/grounds, interns in assessing, parks and recreation, planning and code enforcement, HOMTV cable, administration and an election worker in the Clerk's

office. Chris Buck was brought on as an Independent Contractor from June – August to focus on economic development in the Township business districts. There were six (6) terminations; one (1) retirement and five (5) voluntary quits for other positions.

Training

Director Marx attended three (3) full day workshops: (1) Second annual Racial Healing Workshop (April 2017) sponsored by MSU Police. Two Meridian Township Police Officers attended as well; (2) Essential Strategies for Diversity and Inclusion (May 2017) sponsored by LEAP, MSU and Sparrow. Supervisor Styka and Trustee Jackson also attended; and (3) Workplace Violence Prevention Best Practices - Policies, OSHA and Legal Exposures, co-sponsored by Calvin College, LARA-Consultation, Education and Training (CET) Division/MIOSHA and The Incident Management Team. All three of these workshops provided information and direction in writing and implementing policies, procedures and practices to address these top employer issues. HR has been proactive and committed to addressing all three of these issues through the policies stated in the Personnel Policy Manual, continued employee awareness training and fostering open communication.

Benefits Administration and Other Departmental Updates

- Healthcare Benefits Strategy Meeting with Ballard Benefits Work, Inc., conducted April 20, 2017 to begin the process of collecting bids for 2018. Given the new and possible changing AHCA guidelines, we strive to provide the best quality and cost effective healthcare insurance possible for our employees. We expect underwriting estimates and qualified bids to be received by early September, 2017.
- HR Director Marx and HR Assistant Hasse attended the Ballard Annual Benefits Conference April 26, 2017 which addressed overall healthcare trends, managing increased prescription costs, and looking at alternative preventative programs with full service clinics.
- Processed five (5) new FMLA cases.
- Ergonomics study for up to 20 office employees to be scheduled in third quarter and conducted by Sparrow Occupational Therapy Group.
- Processing all required MERS Pension amendments for reduced multiplier rate changes as agreed to in the 2017-2019 settled union contracts and payroll changes for increased employee contribution rates.

INFORMATION TECHNOLOGY

Police and Fire IT Support Projects

- The second quarter of 2017 was a very stable period for all of our primary Internet carriers, Comcast, Verizon, & AT&T. None of our providers experienced any significant outages over the three month period. The leased point-to-point connections experienced one outage to both Fire Station #91, and Fire Station #92. Changes in pricing plans has us rebidding our connection services to all three of our fire stations and City of East Lansing. We'll continue to work with AT&T to find the right technology to replace the aging DS-1 connections.
- IT Staff continues to work with the Police Department, the State of Michigan, and our VPN solution vendor Sophos to increase reliability of the VPN connection to the State of Michigan Premier One Records Management System running out of the Saginaw County Data Center. There were two interruptions to the VPN service over the quarter, but the system performed extremely well during the most recent updates to SRMS system.
- IT staff continues support for the Police Department to improve network performance for over 30 body cameras into service. These devices have proven to be an order of magnitude more reliable than the previous camera system.
- IT staff acquired replacement components and then worked with the Police Department to put the legacy in-building CCTV cameras that PSB Lobby, the Booking area, and several points at the rear of the building back into service. While once again functioning, replacement systems are under review.

Ingham County Assistance

- Staff conducted a meeting of information technology professionals across Ingham County to discuss ways to better collaborate and leverage existing investments in technology.
- Staff assisted Ingham County with technology incident response when the Ingham County network was infested with mal-ware.

Other Departmental Updates

- IT Staff continues to assist the Communications Department with the systems used to deliver both HOM-TV & CAM TV via the Internet.
- IT Staff purchased replacement devices for our last three embedded 3G Panasonic Toughbooks. Field replacement of units is underway.
- In the second quarter of 2017 the Township's primary file, print, cloud, phone, and other network services were available for 99.99% of entire three months without any significant interruption.
- Staff continues to work with Microsoft to enhance and increase use of the cloud services utilized with our Office 365 subscription.

PARKS AND RECREATION

Park Projects

- Construction began on Towner Road Park in May. The 1.8 million dollar project includes 2- soccer/lacrosse fields, 2-ball diamonds, paved perimeter trail, restroom building, pavilion, 6-pickleball courts and parking lot. Completion is planned for November 1, 2017.
- Continued conversations with CBL Properties-Meridian Mall on developing a public-private partnership in relocating the Farmers' Market to the area near Studio C. A site rendering and cost estimates are in the process of being developed.
- All of the park trails have been downloaded to an app called All Trails. This will provide residents and visitors to our area a chance to identify and locate all the trails in Meridian Township Parks.
- Parks with trails are also receiving new trail head and directional signage. The first park slated for improvements is Ted Black Woods. The new signs will be installed in July.
- Bids are out for construction of a new pavilion in North Meridian Road Park. The pavilion is being funded 50% from a Michigan Natural Resources Trust Fund Grant and 50% from the Park Millage. Total project cost is \$100,000. Construction will take place in September.
- A new site in Central Park is under consideration for construction or a dog park. Planning is occurring now for fall construction.
- A new 16'x7' "tool trailer" was purchased thanks to a \$6,500 grant from the Capital Region Community Foundation together with a variety of lawn and garden equipment to facilitate volunteer projects in our parks and land preserves.
- A new addition to the Nature Exploration Area at the Harris Nature Center is underway. The new "Beaver Lodge" has been designed by local resident and architect, David VanderKlok. As a total volunteer effort, David designed, engineered, and obtained sponsors to fund the project. It is slated for completion in July.
- The Land Preservation Program added a 14-acre parcel on Mt Hope (Serifine) and a 4-acre parcel on Lake Drive (Tank).
- Stewardship projects in Parks and Land Preserves
 - Controlled burn at Davis Farm
 - 412 youth and adults participated in stewardship activities on six properties

Events and Programs

- Implemented a successful first annual Senior Health and Fitness Day at Wonch Park with a total of 85 seniors.

- Prepared for the 2017 Celebrate Meridian Festival and Fireworks for Saturday, July 1st in Central Park that includes arts and crafts fair, business booth area, live music, valet bike parking, community mural painting, children’s game area, kiddie rides, beer and wine tent, car show, food truck rally, Farmers’ Market, Meridian Heritage Festival, and FIREWORKS! It should be a great day for visitors and members of our community.
- Harris Nature Center Friends Barbeque – 51 people attended the volunteer recognition event (151 volunteers in 2016.)
- Love a Park Day – Saturday, May 20th - 50 volunteers, 5 locations
- The indoor Farmers’ Market season ended in April with the outdoor market kicking off on May 6th. The Market operates on Saturdays only until July when the Wednesday market is added through the end of October.

PUBLIC WORKS AND ENGINEERING

Complete the Replacement of the Water Main on Ardmore Street and Install New Water Main on Towner Road

The contractor, Mauldon Brothers Construction, has completed the installation of the water main on Towner Road and it has been placed in service. They have now moved to Ardmore and began the replacement of the old water main. The project is expected to be completed by the end of July.

Complete an Asset Management Program for the Water System as Required by the MDEQ

Majority of the GIS information has been completed including: location, size, material and age. Currently working on replacement priority methodology and have started to prepare a preliminary list of future necessary capital projects for the water system.

Develop and Implement a Cul-De-Sac (dead end) Flushing Program for the Water System

A preliminary plan has been developed for implementation in early fall. We are currently developing the public notice to inform our customers of the project. The public notice will be sent to impacted neighborhoods prior to the implementation of the program.

Complete the Last Phase of the SCADA Improvements for the Sanitary Sewer Lift Station Control System

All of the on-site radios and logic controllers have been installed. In addition, the new interface at the Service Center has been installed and tested. Team training is scheduled for July. Project completion is scheduled for August 1st.

Complete the Third Phase of the Sanitary Sewer Asset Management (SAW) Program

Majority of the mapping and GIS information is completed. Additional cleaning and televising of sanitary sewer mains is underway. Finalized list of future improvement projects is being developed and reviewed by the DPW team and our consultants.

Continue to Actively Participate and Represent the Township with the Ongoing and Proposed Improvements at the East Lansing Waste Water Treatment Plant

The first phase of the project has been completed and is in operation. This phase replaced the use of chemicals for disinfection with an ultraviolet light system. The second phase of the project, which will include the construction of

new headworks, screening facilities, grit removal components is designed and will begin construction in the next few months. We are also currently participating in a bio-solids study to determine the best way to dispose of the solid wastes generated at the plant. A draft final plan is being finalized and will be sent to participating partners for review.

Complete the Mt. Hope Pathway Gap Project, the County Trail Millage Funded Pathway and Bridge Repair Projects, the Installation of a RRFB at the Inter-Urban and Okemos Intersection and the MSU to Lake Lansing Trail Feasibility Study as Required by MDOT

The Mt. Hope Pathway gap project is 95% completed. The contractor has started the construction of the Jolly Road portion of the project, which is the short stretch west of Summergate Lane that required a retaining wall and the replacement of the temporary asphalt path. Ingham County Trail millage repair work will be bid this fall and will include winter pedestrian bridge work and spring asphalt pathway repairs. The MDOT application for the installation of a RRFB at the Interurban and Okemos Road crossing has been submitted and we are awaiting a response to our application. The MSU-Lake Lansing Trail feasibility study to secure TAP funding from the MDOT is underway.

Renew the Expiring Lake Lansing Special Assessment District for Ongoing Stewardship of the Lake

The existing special assessment district will be expiring in 2018. In July of 2017, information will be presented to the Township Board to begin the discussion and review the activities of the previous period.

Complete the 2017 Local Road Program

The local road list has been approved by the Township Board and the work is anticipated to begin in late July/early August. We will work with the Ingham County Road Department on communicating the program to our residents as we have done in the past.

Develop a Comprehensive Pavement Asset Management Plan for the Township Road Network in Cooperation with the Ingham County Road Department

Our consultant is currently in the community driving and rating our local road system to develop a comprehensive plan with financial costs for the entire roadway system in the Township. The final plan will be available for review by September.

Implement the Identified Improvements and Repairs in the Facility Capital Master Plan Including the Repaving of the Okemos Library Parking Lot and the Removal of the Fuel Tanks at the Service Center

The Okemos Library parking lot paving project is completed. The Service Center fuel tank project is underway. The fuel project is expected to be completed by the end of August.

Work with MDOT to Make Repairs to the Pathway Along Grand River between Algonquin Drive and Mohawk Drive

A second meeting with MDOT representatives has been scheduled to discuss the current pathway condition. MDOT completed soil borings of the area this spring, which will assist with a design fix for this ongoing problem area.

Continue our Collective Efforts to Foster an Environment that is Welcoming, Diverse and Inclusive

The DPW Team is proud of our ongoing efforts to provide a welcoming, diverse and inclusive place to work and as a team provide essential services to our residents.

Continue to Seek Opportunities to Reduce Overall Operating Costs

Our Team continues to examine ways to improve efficiency and reduce costs on an ongoing basis.

Develop the Marsh Road Triangle Property in Conjunction with the Haslett Beautification Association

The Haslett Beautification Association is in the process of developing a plan for the property. Meridian Township began the watering of the flower beds in the downtown district of Haslett in May of this year.

Environmental Programs Team

- Held the Guinness World Record-breaking Spring Recycling Event on Earth Day (April 22nd). The record was for most consumer electronics recycled in 24 hours at multiple venues.
- Next Fall Recycling Event: Sep 30, 2017.
- Co-sponsored Recycle Rama – a regional recycling event held at Ingham Co. Health Dept. (ICHD)
- Co-sponsored a used tire collection in collaboration with ICHD. This event was hugely successful, netting 4 semi-trucks full of tires.
- Road improvements and compactor replacement at the Meridian Recycling Center and Transfer Station are making a large impact on customer satisfaction.
- Participated in discussions about regional collaboration on a transfer station and/or material recycling facility. Currently, most recyclables are trucked 60-80 miles just to be sorted.
- Helped promote Scraps to Soil, a pilot program to help facilitate food composting at local food service establishments and restaurants. Currently, three Meridian businesses are participating including Buddies, Mert's Meats, and Red Haven.
- Continued development of a Sustainability and Climate Action Plan (SCAP) in partnership with the Meridian Energy Team, Meridian Environmental Commission, and others. This plan describes ~100 strategies related to energy efficiency, renewable energy, recycling, water conservation, transportation that can save money, help achieve greenhouse gas reduction goals, and achieve other benefits.
- Completed an Energy Benchmarking Study in collaboration with Consumers Energy. This report provides a list of energy efficiency measures that achieve immediate and fast return on investment. It also describes how Meridian's buildings compare to other buildings in our climate.
- Leased ten 300-watt panels in the nearby 1000-panel Community Solar Park.
- Continued to explore practicality of solar PV on Township buildings.
- Developed and distributed 2,500 "FOG" brochures to help reduce fats, oils, and grease from entering sewage system. Cleaning sewers and pumps, due to FOG, costs hundreds of thousands of dollars annually in the region. Approximately 1,000 letters, flyers, and posters have been distributed with restaurant license renewals. There are ~150 licensed restaurants in Meridian Township.
- Applied for recognition in Michigan's Green Community Challenge. Meridian was one of 6 Townships in Michigan recognized for environmental excellence.
- Helped promote Meridian's 12 community gardens, providing food, exercise, fun, and community-building opportunities to hundreds of residents annually. Some gardens raise food for local Food Bank. A new garden is under development at Chippewa Middle School.
- Published and distributed three issues of the Green Gazette.
- Worked with Local First Mid-Michigan to organize a "Lunch and Learn" on social media on April 6th in Meridian Township at Henry's Place from 11:30-12:30.
- Helped provide ideas and promotion for Meridian Green Themes presentations.

Planned Parenthood Advocates of Michigan

Dear Steven,

We have FINALLY seen the Senate's version of their "repeal and replace" bill for the Affordable Care Act. And as we expected, they take aim at Planned Parenthood by adding a one-year ban on our Medicaid reimbursements.

We don't have to tell you that defunding Planned Parenthood would have a devastating effect, preventing millions of people with Medicaid coverage from accessing basic health care including birth control and cancer screenings at Planned Parenthood health centers. You and I know that. Who else is intimately aware of the impact of low-cost preventative health services to a community? The local, county, and state elected officials from those communities.

Planned Parenthood Advocates of Michigan is asking local, county, and state elected officials to show their support and publicly oppose the efforts to "defund" Planned Parenthood. Please share [THIS](#) website with your city council members, county commissioners, township supervisors and other elected officials who have a deep understanding of how communities across Michigan rely on Planned Parenthood and ask them to add their name.

RE: Upcoming Police/Fire Millage Proposal

Dear Meridian Township Board:

The LINC Board of Directors and membership are in agreement that fully staffed and equipped police and fire departments are essential to the overall quality of life for residents of our community. And we support your intention to rectify some of the shortcomings with revenue from a millage proposal scheduled for a vote on August 8th. To help you be successful in meeting the Township's police and fire protection needs we make the following recommendations:

Be transparent in your justifications for requiring an additional millage. We are fortunate to have an enlightened citizenry that is eager for accurate information when they make decisions about matters such as an additional millage to support our police and fire departments. This means:

- a. Be absolutely clear and accurate about the reasons that additional funds are needed. Our taxpayers deserve to know up front exactly how the funds will be distributed and exactly the proportion of funds that will be used to shore-up our massive pension deficit. The ballot language does not mention that the majority of the millage funds will be used to mitigate our pension debt liability and we are troubled by this lack of transparency.
- b. Be honest about the reasons we are facing this massive pension fund deficit and, more importantly, what is being done to prevent this from happening again in the future.
- c. Be willing to explain why, despite new residential and commercial construction combined with a growing population and increasing value of existing real estate, our resulting increase in tax revenue has been out-stripped by the proportionally greater increase in the cost of local government, thus necessitating this call for yet another special millage.
- d. Be willing to inform taxpayers that new revenue derived from this proposed millage will be replacing expenditures normally derived from governmental funds (and thus cleverly freeing them up for other internal purposes), and that these unencumbered governmental funds are also proposed to be used to further reduce our pension debt liability. **The new 1.483 mills would be on top of the existing 1.4446 mills for police and fire.**
- e. Avoid public mistrust of government by demonstrating your credibility in properly describing and handling this millage proposal and thus avoid potential negative consequences when future requests are made of our taxpayers.
- f. Have a clear plan of operation that will assure our residents that at the end of this ten-year "bail-out millage," it will be possible for us to live within our general fund budget without having to request yet another special-purpose millage. At the very least, this must include an annual allocation of general funds into a dedicated fund, established to pay predictable replacement costs of emergency equipment. In addition, it would be wise to renegotiate police and fire contracts so that employees pay at least half of the money going into their retirement fund, just as most of us already do.

JUL 06 2017

BI-2

JUL 06 2017

- g. Don't wait until the last minute to do these things. Absentee ballots will be mailed out soon and past experience has shown that many absentee voters complete and return their ballot promptly after receiving it. Therefore, in order for all taxpayers to be informed about the topics described above, it is important that the above items be addressed immediately and in future presentations to neighborhood groups.

We are fully aware that some of the above recommendations are being, or have been, implemented, and we applaud your ongoing efforts to keep future expenditures under control. In addition, we trust that by addressing these points in the course of discussions and actions leading to the special election on August 8th, we will be able to anticipate a beneficial and realistic outcome.

Yours for a better community,

Neil Bowlby

Dear Meridian Township Board of Trustees,

On Okemos road between Grand river and Haslett road, there are many homes, almost like a neighborhood. So why not be treated like one? People are allowed to go 40mp. South of grand river its 35! Not even that many people even live around there. I think people should only be allowed to go 30-25mp on Okemos road. I would love it if you could do this because my cat died because he got ran over, and i want a kitty. Please tell me what i need to do.

Subject: Board meeting issues (meeting date 6/28/45)

Dear township board members,

I attended last night board meeting for new business agenda item ZBA 17-06-28-1. This was regarding a small sun room addition requiring 6 feet variance for 3615 Beechtree, Okemos, Mi. Request was not approved .

I have following questions for my understanding.

I received petition submitted by three neighbors objecting new addition. Two neighbors and Spring lake home owners association board members approved the addition. Copy that was given was not signed by the neighbors objecting the addition. Can you fax me a signed copy at 517-349-6556? I have some issues with the pictures submitted with petition. I can not address that issue to them without proof of their signatures.

For future reference : Is there a deadline for submission of petition prior to board meetings? Is township office open on weekends to receive such petitions?

Thank you,

Sincerely,

Mehboob Fatteh,

Subject: dangerous tree

About half of a large tree on the NW corner of Hillview and Haslett RD is an accident waiting to happen! This tree and all of the high winds we have had to weaken it further could kill someone. A red circle was painted on it indicating removal I assume, but that was months ago. Please check this out and expedite removal before some is seriously injured or killed by it. I avoid this corner as much as possible as it is frightening.

Respectfully,
Carol Trojanowski

Friday, June 23, 2017

10:00-11:00 a.m.

*Conference Room A, Hilliard Building
121 East Maple Street, Mason, Michigan 48854*

I am excited to announce that this Friday, my office is giving Ingham County voters an opportunity to see and touch the new voting equipment that will be utilized for Ingham County elections, beginning with the August 8, 2017 Election.

The new Dominion Voting System has now been distributed to all municipal clerks across

the County, and Ingham County voters will be experiencing new voting equipment the next time they go to the polls.

This Open House will give you a chance to run test ballots through the machines and see what to expect on Election Day from the new equipment. There will be special demonstration ballots to allow experimenting with the entire voting process, from receiving and filling out the ballot, to inserting it in the tabulator to be counted. The new, touch-screen voting machine that complies with the Americans with Disabilities Act (ADA) will also be available for use during the Open House.

Between now and the upcoming elections, my office will be focused on working with the municipal clerks to train election workers on how to use the new equipment and working with the State Bureau of Elections to update procedures to maintain the safety and security of Michigan Elections. I am confident that this new equipment will provide a better voting experience for all involved.

I hope you are able to attend this Open House on Friday and look forward to seeing you!

Sincerely,
Barb Byrum
Ingham County Clerk

Director Kieselbach summarized the Transportation Commission’s recommendation as outlined in staff memorandum dated June 20, 2017.

Trustee Opsommer moved to adopt the resolution to recommend the Ingham County Road Department install audible signals on all four corners of the Okemos/Jolly intersection and a north/south pedestrian crossing be installed on the east side of the Okemos/Jolly intersection. Seconded by Trustee Jackson.

Board discussion:

- Staff to set up a meeting with Bill Conklin and Alaieton Township to discuss pathway improvements on the south side of Jolly Road, possible grant/funding sources for the improvements

VOICE VOTE: Motion carried 6-0.

C. 2017 Local Roads

Director Perry summarized the 2017 Project List as outlined in staff memorandum dated June 20, 2017.

Treasurer Brixie moved to approve the Local Roads 2017 Project List and authorize the Director of Public Works & Engineering to proceed with the project. Seconded by Trustee Jackson.

Board discussion:

- Exclusion of streets previously listed to remain under the allocated amount, possibility for review of the list during the quarterly budget amendment process, staff working with a consultant to create a long range Township Pavement Asset Management Plan, 2.88 miles improved for the allotted amount, increased cost per mile for continued road deterioration and timing of letting projects out for bid and 2018 local road funds already earmarked for specific projects

ROLL CALL VOTE: YEAS: Trustees Deschaine, Jackson, Opsommer, Sundland, Supervisor Styka, Treasurer Brixie

NAYS: None

Motion carried 6-0.

D. Park Commission Appointment Recommendation

Trustee Jackson moved to support the recommendation from the Park Commission to appoint Courtney Wisinski to the Meridian Township Park Commission to fill the seat vacated by Richard Baker on May 22, 2017. The term of the appointment will expire at the next general election at which time the seat will be filled by popular vote. Seconded by Trustee Deschaine.

Board discussion:

- Selection process used by the Park Commission to vet the qualified eight (8) applicants

ROLL CALL VOTE: YEAS: Trustees Deschaine, Jackson, Opsommer, Sundland, Supervisor Styka, Treasurer Brixie

NAYS: None

Motion carried 6-0.

E. County Tax Property

Township Manager Walsh summarized the foreclosed property as outlined in staff memorandum dated June 15, 2017.

Trustee Deschaine moved to authorize Township Manager Frank Walsh to notify Ingham County Treasurer Eric Schertzing that Meridian Township has no interest in the property described above. Seconded by Trustee Jackson.

VOICE VOTE: Motion carried 6-0.

13. BOARD DISCUSSION ITEMS

A. PUD and PRD Zoning Amendment

Director Kieselbach summarized the proposed amendment to the Township's Planned Unit Development (PUD) and Planned Residential Development (PRD) ordinances as outlined in staff memorandum dated June 16, 2017.

Board discussion:

- Inclusion of golf courses, which previously did not count as open space, provides another option and will now likely exceed the 50% open space requirement, inclusion will be an improvement to the PUD and PRD process

It was the consensus of the Board to send this amendment to the Planning Commission for consideration and recommendation.

B. Resolution Supporting Continued Adherence to the Paris Climate Accord

Supervisor Styka summarized the resolution to support continued adherence to the Paris Climate Accord as outlined in staff memorandum dated June 15, 2017.

Board discussion:

- Residents of the Township care about the environment, long-standing Board support of environmental practices and Board consideration of a Sustainability and Climate Action Plan in a few months

Treasurer Brixie moved to suspend the rules to vote on this resolution at tonight's meeting. Seconded by Trustee Jackson.

VOICE VOTE: Motion carried 6-0.

Treasurer Brixie moved to approve the resolution in support of the Paris Climate Agreement. Seconded by Trustee Sundland.

VOICE VOTE: Motion carried 6-0.

14. COMMENTS FROM THE PUBLIC

Supervisor Styka opened and closed Public Remarks.

15. OTHER MATTERS AND BOARD MEMBER COMMENTS

Supervisor Styka announced the next Board meeting will be held Thursday, July 6, 2017 due to the July 4th holiday.

16. ADJOURNMENT

Treasurer Brixie moved to adjourn. Seconded by Trustee Jackson.

VOICE VOTE: Motion carried 6-0.

Supervisor Styka adjourned the meeting at 8:00 P.M.

Re: Disposal of Studio Production Equipment

On June 7, 2017, the Communications Commission made a recommendation to approve the sale or donation of surplus production equipment.

Upgrades to High Definition cameras and signals in 2016 have brought the HOMTV facilities more up to date and have caused a need for us to sell, donate or recycle equipment that is in either in non-working condition or is otherwise out of date with our current equipment such as Standard Definition. More value would be found in the sale or donation of the working equipment.

In 2012, similar action took place when Meridian Township donated HOMTV surplus studio production equipment to Williamston High School. Also, in 2005, Comcast purchased new studio cameras for HOMTV; Meridian Township donated the former studio cameras to Haslett Public Schools who continue to utilize said equipment.

In the event that equipment is not sold or donated, it will be recycled or, in the case of batteries or other hazardous materials, disposed of properly.

The following motion is prepared for Board consideration:

MOVE TO APPROVE THE SALE OR DONATION OF SURPLUS PRODUCTION EQUIPMENT.

Re: Auditing Services

The contract with our current external auditors, Andrews Hooper Pavlik PLC, began with the 2012 audited financial year and ended this year with the 2016 audited financial year. It was a 3 year contract with a 2 year extension. From 2002 to 2012, Plante Moran served as auditors for the Township. It is my recommendation that we request competitive bids for the 2017-2019 audit period, with a possible 2 year extension.

On Tuesday evening, we will discuss the next steps moving towards obtaining audit bids for the 2017-2019 audit period.

RE: Vacant property ordinance

Some communities in Michigan and around the nation have ordinances requiring a property that is considered vacant or abandoned to be registered with the municipality. These types of ordinances are intended to protect neighborhoods from blight, inform the municipality of the property status, and establish a point of contact and responsible party for the property.

The City of East Lansing adopted a vacant and abandoned property registration ordinance in 2013, which addresses the following:

- Establishes definitions for abandoned and vacant properties
- Requires registration of vacant and abandoned properties
- Requires inspection of a property upon registration
- Establishes fees for property registration and inspections
- Identifies ongoing maintenance standards
- Establishes penalties for non-compliance

The Township Board may consider development of a new non-zoning ordinance related to vacant/abandoned property registration. If the Board chooses to proceed, staff can develop a draft ordinance for review at a future meeting.

CITY OF EAST LANSING

ORDINANCE NO. 1304

AN ORDINANCE TO ADD ARTICLE V - VACANT AND ABANDONED PROPERTY REGISTRATION - TO CHAPTER 6 - BUILDING AND BUILDING REGULATIONS - OF THE CODE OF THE CITY OF EAST LANSING TO ESTABLISH REGULATIONS FOR THE REGISTRATION, INSPECTION AND MAINTENANCE OF VACANT AND ABANDONED PROPERTIES.

THE CITY OF EAST LANSING ORDAINS:

Article V and sections 6-301, 6-302, 6-303, 6-304, 6-305, 6-306, 6-307, 6-308, 6-309, 6-310, 6-311, are hereby added to Chapter 6 of the Code of the City of East Lansing to read as follows:

ARTICLE V. VACANT AND ABANDONED PROPERTIES

Sec. 6-301. Definitions.

The following words, terms and phrases, when used in this Article shall have the meanings ascribed to them in this section:

Abandoned Property means a residential structure that is vacant and meets one or more of the following criteria:

- (a) Provides a location for loitering, vagrancy, unauthorized entry or other criminal activity.
- (b) Has been boarded or partially boarded restricting ingress and egress through windows and/or doors for at least thirty days.
- (c) Has real estate taxes in arrears for a period of time exceeding 365 days.
- (d) Has either water, sewer, electric or gas or any of the foregoing disconnected or not in use.
- (e) Has not been maintained in compliance with the City Code requirements that relate to property maintenance.

- (f) Has been only partially completed and is not fit for human occupancy.
- (g) Has had its wiring, plumbing or other fixtures essential for occupancy removed.
- (h) The owner has no intent to return to or maintain the property.

Department means the Department of Planning, Building and Development.

Foreclosure means the process by which a mortgage is enforced against a parcel of real property through sale or offering for sale to satisfy the debt of the trustor (borrower).

Mortgage means a recorded lien or interest in real property to secure payment of a loan.

Mortgagee means a person, firm, or corporation holding a mortgage on a property

Owner means an individual, co-partnership, association, corporation, company, fiduciary, or other person or legal entity having a legal or equitable title to real property and any lender under a note secured by a mortgage or any person, firm, or corporation holding a mortgage on a residential structure that has initiated, is in the process of, or has completed foreclosure proceedings, filed a complaint for foreclosure by judicial action or is publishing a notice of foreclosure by advertisement

Vacant Property means an improved lot or parcel of real property with at least one Building or Structure that is not currently used or occupied. Provided, however, a Building or Structure which remains furnished, utilities connected or in use, and the property maintained while the Owner is absent, shall not be considered vacant.

Sec. 6-302. Registration of vacant and abandoned property.

An owner of a vacant or abandoned property in the city shall register that property with the Department by filing a completed "Registration of Vacant or Abandoned Property" form containing all the information required by this Article on forms provided by the department and by paying any registration and inspection fees required by this Article within the following times:

- (a) A vacant property shall be registered within 60 days of the vacancy.
- (b) An abandoned property shall be registered within 60 days of the vacancy.

Sec. 6-303. Mortgagee's obligation to determine vacancy or abandonment.

A mortgagee who becomes an owner, as defined herein, as a result of the initiation of foreclosure proceedings, shall at all times exercise reasonable care to determine if the property is vacant or abandoned. If the mortgagee determines the property is vacant or abandoned, or if through the exercise of reasonable care should have determined the property is vacant or

abandoned, the mortgagee shall, within 21 days, comply with the registration requirements of this article.

Sec. 6.304. Registration form.

Owners who are required to register their properties pursuant to this article shall do so by submitting a completed form containing the information specified in this section. The form may be provided by an agent for an owner provided the agent's written authorization from the owner is provided with the form. The form shall include all of the following information:

- (a) The address of the property and the name and address of all owners of the property. If the property owner is a limited liability company, the name and address of the managing member. If there are no managing members, the name and address of all members. If any of the members or managing members required to be disclosed under this section are limited liability companies, the process must be repeated until names and addresses of individuals are identified.
- (b) A mailing address where mail may be sent that will be acknowledged as received by the Owner.
- (c) The name of an individual or legal entity responsible for the care and control of the property as well as the current address, telephone number, facsimile number, and email address where communications may be sent that will be acknowledged as received by the individual responsible for the care and control of the property.
- (e) The name and address of any agent submitting the form on behalf of the owner.
- (f) An explanation as to the reason for the vacancy of the property.
- (g) The name and address of any and all mortgage holders.
- (h) The name and address of any other persons with a property interest in the subject property.

Sec. 6-305. Requirement to keep information current.

If at any time the information contained in the registration form required pursuant to this article is no longer valid, the owner shall, within ten (10) days, file a new form containing valid, current information. There shall be no fee to update an existing registered Owner's current information.

Sec. 6-306. Inspections.

(a) Vacant or abandoned property, including the surrounding real property, required to be registered in accordance with this article shall be subject to an initial exterior inspection by the department, upon registration. The owner shall pay the inspection fee pursuant to Sec. 6-307

hereunder.

(b) Following the initial inspection, in order to ensure that vacant and abandoned properties are safe, secured, and well-maintained, all vacant or abandoned properties, including the surrounding real property, shall be subject to additional exterior inspections on one or more of the following bases:

- (1) By area, such as an entire block, neighborhood, or historic district, such that all vacant or abandoned properties in a predetermined geographical area will be inspected simultaneously, or within a short period of time.
- (2) By complaint, such that complaints of property maintenance violations or violations of the requirements of this article shall be inspected within a reasonable time.
- (3) By recurrent violations, such that any property which is found to have a high incidence of recurrent or uncorrected violations may be inspected more frequently.
- (4) Whenever reasonable cause exists to believe that there is a violation of the property maintenance code or this article on any vacant or abandoned property or other conditions which makes the structure or premises unsafe, dangerous, or hazardous.
- (5) For the purpose of re-inspection to ensure the correction of any violations in existence of a previous inspection.

Any violations of the city code or this article which are detected upon any of the inspections by the Department shall be fully repaired and remedied within thirty (30) days of notice to the owner, or within such additional time as permitted by the Department.

Sec. 6.307. Registration, inspection and other fees.

All fees applicable to this article shall be set from time to time by resolution of the City Council, which fees shall include a registration fee, an inspection fee, a re-inspection fee, a certificate of compliance fee and such other related fees established by resolution of the City Council. The payment of all fees required under this article is secured by a lien against the property subject to enforcement in the same manner as ad valorem real property taxes. Payment of the registration and inspection fee is due upon filing of the registration. Payment of re-inspection fees is due within 30 days of mailing of the bill.

Sec. 6.308. Maintenance and security requirements.

An Owner of a vacant or abandoned property shall comply with all of the following maintenance and security requirements:

- (a) Property shall be kept free from weeds, grass more than six inches (6") high, dry

brush, dead vegetation, trash, junk, debris, building materials, any accumulation of newspapers, circulars, flyers, notices, except those required by federal, state, or local law, discarded items, including, but not limited to, furniture, clothing, large and small appliances, printed material, signage, containers, equipment, construction materials or any other items that give the appearance that the property is abandoned.

(b) Property shall be maintained free of graffiti, tagging, or similar markings.

(c) All yards shall be landscaped and properly maintained. Landscaping includes, but is not limited to, grass, ground covers, bushes, trees, shrubs, hedges, or similar plantings. Maintenance includes, but is not limited to, cutting, pruning, and mowing of required landscaping and removal of all trimmings.

(d) Pools, spas, and other water features shall be covered with an industry approved safety cover and shall also comply with the minimum security fencing and barrier requirements of applicable building and existing structures/property maintenance codes and ordinances.

(e) Property shall be maintained in a secure manner so as not to be accessible to unauthorized persons. Secure manner includes, but is not limited to, the closure and locking of windows, doors, gates and any other opening of such size that may allow a child or other person to access the interior of the property and/or structures. Broken windows must be repaired or replaced with like glazing materials within fourteen (14) days, except as otherwise provided in the existing structures code. Boarding up of open or broken windows is prohibited except as authorized by the director of building, planning and development or his or her designee.

(f) Electrical power and natural gas shall be provided to all vacant and abandoned property or structures to power all mechanical equipment to maintain a minimum ambient interior temperature of not less than 45 degrees Fahrenheit during the months of September through April of each calendar year and to power a sump pump. All vacant or abandoned property shall have the building properly winterized so as to prevent the bursting of water pipes.

(g) Property shall be maintained in compliance with all other applicable code requirements.

Sec. 6.309. Penalty.

Any violations of the requirements of this article shall be deemed to be a municipal civil infraction punishable as a civil infraction in accordance with state law and Sec. 1-13 of this code. Each day that a violation exists after expiration of any time period set forth herein shall constitute a separate offense. Institution of civil infraction proceedings shall not restrict the City from pursuing further remedies.

Sec. 6.310. Purpose

The purpose of this article is to help protect the health, safety and welfare of the citizens by preventing blight, protecting property values and neighborhood integrity, avoiding the creation and maintenance of nuisances and ensuring safe and sanitary maintenance of dwellings. Further, it is important for the city to be able to contact owners of vacant properties for property maintenance, fire safety and police purposes.

Vacant Property FAQs

What does Ordinance No. 1304 (Vacant and Abandoned Property) mean?

Ordinance No. 1304 states that all vacant and abandoned properties are required, by the owner, to be registered as vacant or abandoned.

How is a vacant or abandoned property defined?

An abandoned property is a residential structure that is vacant and meets *one or more* of the following criteria:

- Provides a location for loitering, vagrancy, unauthorized entry or other criminal activity.
- Has been boarded or partially boarded, restricting ingress and egress through windows and/or doors, for at least 30 days.
- Has real estate taxes in arrears for a period of time exceeding 365 days.
- Has either water, sewer, electric or gas or any of the foregoing disconnected or not in use.
- Has not been maintained in compliance with City Code requirements that relate to property maintenance.
- Has been only partially completed and is not fit for human occupancy.
- Has had its wiring, plumbing or other fixtures essential for occupancy removed.
- The owner has no intent to return to or maintain the property.

What is the purpose of Ordinance No. 1304?

The purpose of this ordinance is to help protect the health, safety and welfare of citizens by preventing blight; protecting property values and neighborhood integrity; avoiding the creation and maintenance of nuisances; and ensuring safe and sanitary maintenance of dwellings. Further, it is important for the City to be able to contact owners of vacant properties for property maintenance, fire and police purposes.

Vacant Property FAQs (Continued)

Are there any inspection or other fees associated with the registration?

The annual registration fee is \$150 and must be submitted along with the registration form. This fee also covers the required exterior inspection fee upon registration of the vacant or abandoned property. Any re-inspections mandated as a result of additional complaints or other non compliance would be subject to re-inspection fees of \$60.

What does an exterior inspection consist of?

Upon registration, the next step is an exterior inspection by the department showing that:

- Landscaping is well-maintained;
- Windows are unbroken; and
- No visible signs of deterioration.

What are some maintenance and security requirements?

- Visible front and side yards shall be landscaped and maintained.
- Pools and spas shall be kept in working order so that water remains clear and free of pollutants and debris or must be drained.
- All properties must be secured in a manner so that they are not accessible to unauthorized persons.
- Property shall be maintained in compliance with all other applicable code requirements.

Are there any penalties if I don't pay the fees or fill out the registration form?

Any violations of the requirements of this ordinance shall be deemed to be a municipal civil infraction as a civil infraction in accordance with state law and sec. 1-13 of this code. Each day that a violation exists after expiration of any time period set forth herein shall constitute a separate offense.

Who do I contact if I have additional questions or concerns?
