

Understanding Your Water & Sewer Bill

2026 Quarterly Rate Comparison

Meridian Township water utilities will increase on January 1, 2026, but will remain the lowest in the region by a considerable margin. Some examples of other local rates are provided below:

**Based on 12,500 gallons average consumption per quarter*

Your 2026 Quarterly Bill Explained

Why is my Quarterly Water & Sewer Bill Increasing?

Water rates are increasing to fund the operations and capital improvements of the water and sewer systems. The average rate will increase by \$2.67 per month, or approximately \$8.00 per quarter.
