CHARTER TOWNSHIP OF MERIDIAN

Haslett Commerce Center Watermain - 2026

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Charter Township of Meridian, Ingham County, Michigan, at the Meridian Township Clerk's Office, Municipal Building, 5151 Marsh Road, Okemos, Michigan, 48864-1198, Ph. 517.853.4000, up to 11:00 am, local time on Friday, July 17, 2026 for the installation of new 8 inch watermain in Meridian Township.

Bids are solicited on a unit price basis. The work involves the following major bid items:

- Installation of 1,138 feet of 8 inch water main

Proposals shall include the furnishing of all labor, material, and some equipment to complete the project.

Work on the project must commence within 10 (ten) days of issuance of the "Notice To Proceed." Construction for the 2026 option shall be completed by November 1st, 2026. Construction for the 2027 option may commence any time after April 1st, 2027, with completion date no later than July 15th, 2027. Completion is defined as being constructed, tested, placed in service, and the site restored.

Each proposal shall be accompanied by a certified check or a bid bond by a recognized surety company similar to a U.S. Government Standard form bid bond, in the amount of five percent (5%) of the bid, payable to the Charter Township of Meridian, Ingham County, Michigan as security for the acceptance of the Contract.

Insurance and bonds are required from the successful bidder for this project; please see pages G-2 thru G-3 for those requirements. *Please note Owner/Contractors Protective Liability is required for all our contracts.*

The vendor's agreement to pay prevailing wage rates is one relevant consideration that Meridian Township may make in its determination of which bidder should receive this contract. Meridian Township may thus consider in awarding this contract whether any vendor voluntarily pays employees and sub-contractors, directly upon the site of work, at least the prevailing wages and fringe benefits as determined and published by the United States Department of Labor for the Ingham County area.

The contract documents may be examined at the following locations:

- Meridian Charter Township, Dept of Public Works, 5151 Marsh Road, Okemos, MI 48864
- Builders Exchange of Lansing & Central MI, 1240 E. Saginaw St., Lansing, MI 48906-5522
- Builders Exchange of Michigan, 678 Front Ave. NW, Ste. 330, Grand Rapids, MI 49504
- Construction Assoc of MI, 43636 Woodward, Bloomfield Hills, MI 48302
- Dodge Data & Analytics, 2521 E. Michigan Avenue, Lansing, MI 48912-4010

PDF copies of the plans and contract documents can be downloaded from the Township website here: <https://www.meridian.mi.us/government/township-projects>. To be added to the Township's list of prospective bidders, please make sure to contact the Engineering Office, as described below.

Hard copies of the contract documents for the work may be obtained from the Department of Public Works & Engineering at 5151 Marsh Road, Okemos, Michigan, for a non-refundable fee of ten dollars (\$10). There is a five dollar (\$5.00) fee for mailing contract documents. Contract documents may be obtained via email free of charge. Questions regarding this contract may be addressed to Meridian Township Department of Public Works & Engineering by phone at 517.853.4440, or by email at DPW@meridian.mi.us.

In submitting this bid, it is understood that the right is reserved by the Owner to reject any or all bids, to award the Contract to other than the low bidder, to award separate contracts for each project and/or phase, to waive irregularities and/or formalities, and in general, to make award in any manner deemed by it, in its sole discretion, to be in the best interest of the Owner.

INSTRUCTIONS TO BIDDERS

1. PROPOSALS

Proposals must be made upon the forms provided, without modifications or changes and all other data submitted as required.

The proposal must be enclosed in a sealed envelope marked "Bid Proposal – Meridian Township Haslett Commerce Center Watermain" clearly indicating the name and address of the bidder, and filed at the place and by the time specified in the Advertisement.

2. BASIS OF PROPOSALS

Proposals are solicited on the basis of unit prices for the entire work of the contract. Proposals may be submitted for any one or all of the projects or phases, as may be applicable.

The right is reserved by the Owner to reject any and all bids, to award the Contract to other than the low bidder, to award separate Contracts for each project and/or phase, to waive irregularities and/or formalities, and in general, to make award in any manner deemed by it, in its sole discretion, to be in the best interest of the Owner.

3. BID DEPOSITS

Each proposal shall be accompanied by a certified check, or bid bond from a recognized surety company, in the amount of five percent (5%) of the total amount of the bid, payable to the order of the Owner, to be forfeited to the Owner in case of failure on the part of the successful bidder to enter into the attached form of Contract to do the work covered by such Proposal at the price and within the time stated therein. The bid deposit of all except the successful bidder will be returned within four weeks after opening of bids. The bid deposit of the successful bidder will be returned within 48 hours after the executed Contract has been finally approved by the Owner.

4. QUALIFICATION OF BIDDERS

It is the intention of the Owner to award the Contract(s) to contractor(s) fully capable, both financially and as regards experience to perform and complete all work in a satisfactory manner. Evidence of such competency must be furnished, including a listing of similar projects which the bidder has satisfactorily undertaken and completed.

5. INTERPRETATION OF DOCUMENTS

If the bidder is in doubt as to the true meaning of any part of the plans, specifications or Contract Documents, he may submit to the Engineer a written request for an interpretation thereof. Any interpretation made in response to such query will be mailed or duly delivered to each prospective bidder. The Owner will not be responsible for any other explanation or interpretation of the Contract Documents.

6. REQUIREMENT OF SIGNING BIDS

Bids which are not signed by the individual making them shall have attached thereto a power of attorney evidencing authority to sign the bid in the name of the person for whom it is signed.

Bids, which are signed by a partnership, shall be signed by all of the partners or by an attorney-in-fact. If signed by an attorney-in-fact, there shall be attached to the bid a power of attorney evidencing authority to sign the bid, executed by the partners.

Bids which are signed for a corporation shall have the correct corporate name thereof and the signature of the president or other authorized officers of the corporation manually written below the corporate name following the word "By". If such a bid is manually signed by an officer other than the president of the corporation, a certified copy of a resolution of the board of directors evidencing the

connection between the new main and the existing service line. **This item does not include a new curb stop or box.**

45a.b. **CURB & GUTTER, REMOVE/REPLACE** – These pay items include all labor, equipment, and material necessary to remove and replace curb and gutter. New curb and gutter shall be tied to the existing with 18-inch, #4 epoxy coated dowels drilled 9 inches into the adjacent curb in accordance with ICRD requirements. Curb shall be MDOT Detail F2.

HMA, 13A shall be used to repair any damage to the roadway caused by the Contractor. Asphalt shall be used to repair the road only; asphalt shall not extend onto adjacent curb, gutter, or ramps, unless directed by the Engineer. Damaged asphalt shall be sawcut in order to provide a proper surface for the asphalt repair. All such asphalt repair work is incidental.

53. **EROSION CONTROL, INLET PROTECTION, FABRIC DROP** – This pay item includes all labor, equipment, and material necessary to install and maintain a device which is designed and constructed for use in the specified structure. Catch basin sediment guards shall be installed prior to construction, cleaned and maintained in a working state for the duration of the project, and removed and disposed of upon final completion and restoration of the construction site. Grass shall be growing before the sediment guards are removed, and retainage will not be released until the sediment guards are fully removed.

54. **SITE RESTORATION, ...** – These pay items include all labor, equipment, and material necessary to restore disturbed grass areas in accordance with the MDOT 2020 SSC, Section 816, and as described herein. The disturbed areas shall be restored to grade with three (3) inches of screened topsoil. For slopes less than 1:4, hydroseeding must be utilized with fertilizer, loose mulch, and a spray-applied tackifier. For slopes greater than 1:4, mulch blankets must be used. This special provision supplements pay item 54. Site Restoration in *Division 7 Pay Items*. In addition, this pay item includes all labor, equipment, and material necessary to prepare subgrade for HMA pavement as shown on the plans and as described in *Technical Specification 4*.

NOTES:

- *All water main shutdowns shall be coordinated with Meridian Township personnel. All shutdowns shall be timed to minimize the impact to water customers, as determined by the Township. This includes utilizing overnight work. No additional payment will be made for such work.*
- *The pay items detailed in this contract are intended to provide for the complete scope of work as depicted on the plans. Any and all work not covered under a specific pay item, but necessary to complete the project, is considered incidental.*
