Other January Notes

- Director Titof and I met with Sam and Rachael from communications and formulated a plan for marking and to get the facebook page back up and making it easier to find Meridian Cares page from the Meridian Township website home screen. It is now under the “Community” heading.
- The Meridian Cares facebook page was relaunched. Katie met with Rachael from communication and worked on best practices and training using the scheduling program.
- The baby bottle boomerang marketing was prepped and bottles and signage were taken to Playmakers, Toms Food Center and Court One Athletic Club. Bottles were also requested and dropped off to Haslett Community Church, Kiwanis and Rotary.
- Sent out a survey to check interest on hosting a Community Resource Connection. This would be for local organizations to get to know each other, glean information and share ideas and resources. The response was very positive and will be looking to set a date in April 2024.
