Subject: RE: Many blind spots needing pruning on MSU to Lk. Lansing Pathway
Date: Monday, August 4, 2025 3:56:33 PM

Thank you for your email, Tim. Our crews will be working on Phase I in the month of August to bring it into compliance with our standard of 2' or clearance from the edge of the pathway. We have been focused on other areas of the 90-mile pathway system thus far.

The Township's grass ordinance dictates who is responsible for being compliant with the ordinance. Ordinarily, nobody would be responsible for mowing the areas you are taking pictures and videos of on Phase I of the MSU to Lake Lansing Trail as they are natural areas, not turf grass.

We have already installed blind corner signage near Dawn Ave and will be doing the same between the bridge over the Red Cedar River and the boardwalk. Public benches are also going to be installed this fall or next spring. We just received the benches and are working to schedule the concrete installation.

Please let us know if you have any questions.

Take care,

Subject: Many blind spots needing pruning on MSU to Lk. Lansing Pathway

As I noted in my last email on this topic, I'm very thankful for the pruning that happened along the pathway last month where I most frequently travel, which as you might suspect is the MSU to Lk. Lansing Pathway. However, I've noticed a lot of additional blind spots remain along this most popular pathway for those of us commuting to and from the MSU campus which really needs to be cleared before all the students return.

I've added some new videos taken in the last few days to this folder for your review:

<https://photos.app.goo.gl/eTLT9k2eWtnsNmuK9>

I realize that some of this brush might be the responsibility of the property owners along the pathway but will that stand up in court if someone gets in a serious crash while riding along this (or any paths in our township) pathway? I'm also curious if our easement agreement with these land-owners only covers up to the edge of our asphalt as township responsibility?

I appreciate the response. It appears I will not be able to attend tonight however I will be watching as I am able to do that from work. Residents have always reached out to me as I am a long time involved resident. I don't know why 2 of today's calls were "private". In any case, with 5 million dollars, we should be able to find something in that price range versus breaking ground on the proposed site. The township has done well to grow the reserve fund that it has. Why don't we allow the residents to grow THEIR reserve funds by not taxing them out of the township.

I will happily take on the task of finding suitable housing for a senior center without breaking the bank. The goal is not to stroke egos, or do something to justify public servants staying in their position. If someone really wants to make a positive name for themselves, how about not raising taxes.

Good Afternoon Renee!

Thank you for your comments! As is our policy, they will appear in our next Board Packet.

I appreciate the opportunity to clear a few things up here as well! As I mentioned in our communication, the Senior and Community Center Task Force was formed with a mission: to present two proposals to the Board, one for a Senior Center Only and one for a Senior/Community Center. It met for 8 months and presented those two options. As such, they have concluded their business. If the Board sees fit to reestablish the Task Force given the result of this week's vote, that will be a discussion for the Board, but it requires Board action to do so.

Regarding future ballot questions, I do not speak for everyone, but rather are just one vote on a Board of seven. Any decision to put something on the ballot is a vote of the Township Board. For my own personal opinion on the matter, I can say that I understand

that the voters have spoken on a joint Senior and Community Center through their votes. If I were to personally support anything to appear on a future ballot, it would likely be a Senior Center only.

I don't know why you were contacted by phone by a third party regarding a ballot question or by whom. People are within their rights to campaign on an issue before the voters, and often calling is a part of that effort.

As I mentioned in my previous correspondence, should the Board move forward with another iteration of the Task Force, we will certainly keep you in mind!

Have a great night! Hope we get to see you!

Subject: SENIOR CENTER

Good Day,

I want to attend the meeting this evening however I am scheduled to work so I may not be able to. I am writing this email in case I can't make it.

First, I have been trying to be a part of the Senior Center Task Force since inception and have been turned down by several individuals. I just emailed Scott Hendrickson after the result of the vote and advised him of my interest going forward. I have been told that "barring some change, the Senior Center Task Force has concluded its work".

Please keep me in mind if this changes. I seem to recall a mention from Scott Hendrickson that there was intention to put this back on the ballot for the Fall even though some board members disagree. That would mean the Task Force would remain. I believe the people spoke and this needs to

be laid to rest.

Second, I received 3 phone calls today; the first 2 being from "private" numbers and from 2 people who would not ID themselves asking questions about the board as it relates to the Senior Center proposition. They may have found my name from my association with our DDA. The last call, from an elderly lady who I seem to recall from a distant past who did not block her number. She is concerned that this is being pushed by a couple people with no consideration for the residents needs or plan of action for any building on the land you intend to use; such has ICDC. All three calls articulated some degree of distrust with the board as it pertains to the Senior Center concept. This makes me very curious.

I can't imagine why I have been contacted but it has become obvious to me that there are concerns. I hope to attend future meetings if not the meeting this evening.

I hope to be appointed to the Task Force as not only a trusted member of our township but also a long standing resident who has remained involved for years.

I support the concept of a Senior Center - not as it has been presented. I am confident I would be a good addition to that Task Force if in fact, it is NOT disbanded. A fresh face with fresh ideas and a "think outside the box" attitude is just what that task force needs. I hope you agree.

Dear Meridian Township Board Members,

I understand that at tonight's board meeting, the board will discuss putting the senior center being back on the fall ballot (after it was previously voted down).

I would like to take this opportunity to say that I don't believe it's fiscally responsible to reconsider this idea, given that it was already voted down, that it would only serve about 1% of our population, and that there are other more responsible ways to fund such a center rather than raising taxes, such as tapping into the \$10 million dollar reserve.

Furthermore, it will not only cost taxpayers more to build such a facility, but will continue to accrue additional costs to operate and staff it.

Community members, especially seniors, are already paying through the roof for housing, groceries, taxes, transportation, utilities, gas and healthcare.

Finally, each time this idea is put on the ballot, it costs thousands and thousands of dollars to do so. I therefore do not support raising taxes to put a senior center back on another ballot, especially since it was already voted down.

I feel that building a Senior Center for 1% of our population is a luxury, not a NEED — a want, not a necessity.

Respectfully,

Debra Lashbrook

To Whom It May Concern,

I understand there will be a discussion about a new Senior Center at tonight's board meeting. I cannot make the meeting, but want to express my opinion on the subject. I do NOT think we need a new Senior Center. I am a senior (72) and there are plenty of places to get involved as a senior. Hannah Community Center has very reasonable rates, lots of programs for seniors and is a wonderful place.

Even if I did support a new Senior Center, there is absolutely no need to build one. There are so many empty spaces that could be used - even in the Mall.

Please listen to the people of this township who pay taxes. Do not push through a new center.

I did not yes or will not vote yes for another senior center. We have the Hannah Center and it is awesome, affordable, many classes for health and fitness and for the arts. Also many group discussion and interactive opportunities available. And conveniently located.

Why start over. Why not support this Senior center and open it to other local areas without an additional fee. SUPPORT WHAT WE HAVE. ENRICH WHAT WE HAVE.

Because the Okemos School District is funded by Meridian Township taxpayers, and because it seems that the Okemos school district has caused the Meridian senior center problem, the Okemos school district should thus be part of the solution.

Meridian Township should not let the Okemos School District ignore the interests of us Meridian taxpayers, who pay the salaries of the school administrators and the school teachers.

Given the current and likely future staff downsizing at the schools (implying both excess school space and a need for school- budget-plugging income) the school district should wisely come tin-cup-in-hand to the township rather than the township bend the knee to the schools.

Subject: FORMAL APPEAL OF DEEMED DENIAL - FOIA Request ID #FOIA-2025-79 Submitted July 12, 2025
Date: Thursday, August 7, 2025 2:56:43 PM

Some people who received this message don't often get email from [REDACTED]

Dear Ms. Demas and Honorable Members of the Meridian Township Board,

This letter serves as a formal appeal of the deemed denial of my Freedom of Information Act (FOIA) request, **FOIA Request ID #FOIA-2025-79**, which was submitted through your online portal on **Saturday, July 12, 2025**.

Pursuant to MCL 15.235(2), a public body is required to respond within five (5) business days after receiving the request. For a request received on a non-business day, this five-business-day period begins on the next business day. Therefore, the Township was required to respond by **Friday, July 18, 2025**.

Meridian Township's initial response, an email from Emily Gordon, Deputy Clerk, was dated and received on **Tuesday, July 22, 2025**. This response was **two (2) business days late**, having been provided outside the statutory five-business-day period required by MCL 15.235(2). This procedural failure alone rendered the attempted extension invalid.

Furthermore, even in this untimely response, the Township stated: "Because of the need to search for and retrieve records, notice is hereby given that the Township will require an additional ten (10) business days to respond to your request. The Township will provide a response to your request no later than August 4th."

It is now **Thursday, August 7, 2025**, and I have received no further response or the requested records from Meridian Township. Therefore, pursuant to **MCL 15.235(3)**, my FOIA request is now formally and unequivocally "**deemed denied**" due to Meridian Township's repeated failure to respond within the statutory time limits, including its own stated extended deadline of August 4, 2025.

This pattern of non-compliance, particularly given previous difficulties in obtaining records from Meridian Township, indicates a potential arbitrary and capricious violation of the Michigan Freedom of Information Act. Please be advised that **MCL 15.240(7)** provides that if a court determines a public body has arbitrarily and capriciously violated the Act by refusal or delay, the court shall award \$1,000 in punitive damages to the requesting person, in addition to a \$1,000 civil fine to the state, and reasonable attorney's fees, costs, and disbursements.

I demand that Meridian Township comply with its duties under the Michigan FOIA. I expect a formal response to this appeal, as required by **MCL 15.240(2)**, within the statutory timeframe provided for appeals to the head of a public body.

Please be aware that if Meridian Township fails to properly address this formal appeal within the statutory timeframe, I will be left with no option but to file a lawsuit in Circuit Court to compel disclosure and seek all applicable statutory damages, costs, and attorney's fees.

Thank you for your prompt attention to this matter.

Sincerely,

Michael Henry Inga

Subject: FORMAL APPEAL (CONTINUED): INCOMPLETE RESPONSE TO FOIA REQUEST ID #FOIA-2025-79
Date: Thursday, August 7, 2025 4:44:52 PM

Some people who received this message don't often get email from [REDACTED]

Dear Ms. Demas and Honorable Members of the Meridian Township Board,

This email serves as an immediate continuation and amendment to my formal FOIA appeal submitted earlier today, August 7, 2025, regarding FOIA Request ID: #FOIA-2025-79.

At August 7, 2025 3:11PM, I received an email from the Township stating that my request, FOIA-2025-79, has been "completed" and inviting me to download response documentation.

Upon review, I must unequivocally state that the Township's response is incomplete and does not fulfill my FOIA request or the Township's legal obligations under the Michigan Freedom of Information Act.

Specifically, the following critically important documents, explicitly requested in my original FOIA request (item #3), were not provided:

- Plumbing blueprints and schematics (water supply, drainage) for Building 4835 and Unit 501.
- Sewer connection maps (storm and sanitary) for the property.
- Stormwater/sanitary system diagrams (easements, underground piping) for the property.
- Inspection reports, permits, or maintenance logs for the adjacent sump pump(including its discharge outlet and system connection)

Furthermore, the Township's "completed" email and the provided documents fail to include any written explanation for the omission of these records, nor do they cite any specific legal exemption under MCL 15.243, or a certificate of non-existence, as explicitly required by MCL 15.235(5) for any denial, partial or full.

I must note as well that I received only complaints and code enforcement correspondence for the property that were received by the township from myself. Over the past 10 years as listed on my request, I find it odd that I was the only complaint for this entity. The above list of unprovided documents is not a comprehensive list of everything not addressed, but are those that I wish to bring the most immediate attention to.

This incomplete response, coupled with the lack of required explanation, constitutes a further partial denial of my FOIA request.

I reiterate my formal appeal to the head of the public body (the Township Board) for the

reversal of this partial denial. I demand immediate disclosure of the missing records or, if they are legally exempt or do not exist, a proper, statutorily compliant written notice of denial explaining the basis for non-disclosure.

I expect the Township Board to fully address this appeal and ensure complete compliance with the Michigan FOIA within the statutory timeframe for appeals.

Please be aware that if Meridian Township fails to properly address this formal appeal within the statutory timeframe, I will be left with no option but to file a lawsuit in Circuit Court to compel disclosure and seek all applicable statutory damages, costs, and attorney's fees.

Sincerely,

Michael Henry Inga

To the Township Board.

I attended last night's township board meeting at which Councilwoman Wilson said that a replacement senior center was included in the promotion of the Okemos 2022 school bond. I was living in upstate New York in 2022, so I have no knowledge of what was promised as part of the Okemos bond. The text below is from page 16 of the attached Okemos school bond document that I downloaded:

Meridian Senior Center

Relocate Senior Center to existing Kinawa or Cornell buildings. Address select improvements which include interior finish upgrades, casework replacement, renovation of existing toilet rooms not yet updated, and enclosure improvement at new location. Provide new furniture and equipment.

I would like to know what happened between 2022 and 2025. I am now retired, but I spent most of my career in local government finance in Maryland and New York. I realize that capital projects usually come in over budget, and that project cuts are usually preferable to going back for additional bond authorizations. In any case, I think the funding history should be a major part of the ongoing discussion with the Okemos school district.

I look forward to hearing back from you. Thank you for your assistance.

I want to express my sincere gratitude to each of you for your service during this election.

Whether you were working long hours at the polling places, Clerk's office, Early Voting site, absent voter counting board, or receiving board; attending our training to prepare for the election, managing logistics behind the scenes; assisting voters; and/or helping ensure everything ran smoothly and fairly, your efforts did not go unnoticed.

Elections would not be possible without people like you who show up to do this essential work. You help make sure every voter has the chance to be heard, and that every vote is counted with care and integrity.

I've learned so much from all of you during my first election as clerk. The successful administration of the election is a direct result of each and every one of you with all the hard work and dedication you put in.

Thank you for showing up with patience, professionalism, and a sense of purpose. Your role is vital and deeply appreciated.

With heartfelt thanks,

Angela Demas

Subject: Request for Ordinance of Safe Disposal of Deer Gut Piles in Meridian Township
Date: Sunday, August 10, 2025 11:57:23 AM

Some people who received this message don't often get email from [REDACTED]

Dear Meridian Township Board,

I am writing again to respectfully request that Meridian Township adopt an ordinance requiring the safe clean-up and disposal of deer gut piles in our parks and public spaces,

In response to my prior inquiry, Parks and Recreation Director Courtney Wisinski confirmed that Meridian Township does not currently follow Michigan Department of Natural Resources (DNR) guidelines regarding gut pile disposal.

- **Michigan State Land Use Rules** prohibit the disposal of animal remains, including gut piles on state-owned land.
- **Proper disposal methods** recommended by the DNR include burial (at least two feet deep), landfill disposal, or composting.
- **Improper disposal** poses serious risks including the spread of diseases, contamination of soil and ground water, and the attraction of scavengers to populated areas.

Meridian Township, unlike state parks and gaming areas, allows hunting in local parks and public spaces that are near homes, schools, ball fields, and businesses. If gut pile disposal is prohibited on vast, remote state lands, it is even more critical to regulate it in our densely populated residential community.

Additionally, the presence of gut piles violates Township Ordinance § 46-2 Nuisances per se.

Charter Township Code of Ordinances

<https://ecode360.com/28777468>

§ 46-2 Nuisances per se.

[Code 1974, § 51-2]

The following acts, apparatus, accumulations, violations, and activities are hereby declared to be public nuisances:

(1)

No person shall maintain or permit to remain on premises owned or occupied by him; or throw, place, or leave; or permit the throwing, placing, or leaving on the premises of another any of the following substances: **organic refuse**, food wastes, ashes, dead animals, fish, animal bones, hides, rotten soap, grease, tallow, offal, shell, food containers or wrappings, cans, bottles, jars, crockery, garbage, discarded furniture, cartons, boxes, crates, rags, discarded clothing, bedding, floor covering, wallpaper, sweepings, waste paper, newspapers or magazines, discarded appliances, rubbish, excrement, rot, construction debris including, but not limited to, lumber, bricks, block, plumbing or heating materials, roofing materials, concrete, cement, electrical materials or siding, yard debris or rubbish including, but not limited to, grass clippings, clippings from hedges or shrubs, or detached tree branches, industrial waste, unclean or nauseous fluids or gases, in any of the following locations:

a. Any public street, highway, lane, road, alley, **public place**, square, sidewalk or **any lands within the boundaries of the Township owned by the Township or other municipal corporation.**

b.

Any river, lake, stream, or other body of water.

C.

Any private place or premises where in the opinion of the Township superintendent or his agent the specified substances constitute a dangerous condition or are detrimental to the public health, safety, or welfare or offend aesthetic sensibilities or may cause sickness or attract flies, insects, rodents, or vermin.

Two simple, effective solutions exist:

1. Require hunters to **bag and remove** gut piles along with their equipment and harvest.
2. Allow **burial of gut piles at least two feet deep**, using affordable tools such as folding shovels (available for under \$20).

These measures would align Meridian Township with state guidelines, protect our environment, and safeguard the health and safety of our residents.

I appreciate your time and consideration, and I urge the Board to act on this critical issue.

Sincerely,
Shannon Davis

Dear Township Officials,

Since the ill-fated proposal for a senior center and community center has failed, it is time to seriously consider other reasonable choices that are not as expensive and as careless of the environment. (No one should be cutting down a lot of trees in a large woodlot or building in a standing-water swamp or paving a natural area filled with native wildlife.)

Meridian Township has a lot of properties that could be used for a senior center and/or a community center:

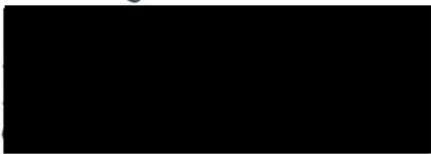

1. Many storefronts in the Meridian Mall are unused and empty, such as the whole area around the new furniture store, including the old Schulers Book store.
2. The large empty area along Okemos Road between Hamilton Road and Clinton Street.
3. The large empty buildings along Marsh Road near the Meridian Mall such as the former Chicago Pizza, the former Outback steakhouse and the former Verizon store. There is plenty of room around these structures if more space needs to be added.
4. The empty land where the former Travelers' Club and White Music once stood.

Please consider properties that are accessible by bus and not far from population of the township. And please don't consider properties with unknown, un-examined problems such as wetland. Also, please try to get something done that can be utilized by the time the current senior center is gone.

Sincerely,

Linda Hughes

I strongly encourage the Township to quickly determine how large a Senior Center could be constructed on the fire station property for \$5 million. This should be used as a baseline for evaluating potential rehabilitation of an existing building.

Respectfully,

Steve Vagnozzi

Meridian Township Supervisor

Dear Supervisor Hendrickson,

As many of you are aware, over the past few months I've been experiencing reoccurring serious medical issues. I've been under the direct care of The University of Michigan Health System.

My goal, from the onset, was to complete my service as Township Treasurer through end of my term in 2028. During a recent visit with my medical team, it has unfortunately become abundantly clear that I'm not able to remain Township Treasurer.

Serving Meridian Township over the past decade as Parks Commissioner, Township Trustee and Township Treasurer has been the highlight of my professional career. On a personal note, I want to humbly thank the Board, staff and residents for their support in my role as a member of the Meridian Township team.

Please accept my resignation as Township Treasurer effective September 16, 2025, 11:59 PM. I've aligned my retirement date with the deadline to collect, and distribute, summer 2025 taxes.

In closing, thank you, and the entire Board, for their support over the past few months.

Sincerely,

Phil Deschaine

Deadline: September 30, 2025

A new proposed national opioids settlement has been reached with Purdue (and certain of its affiliates) and the Sackler family. This *Participation Package* is a follow-up communication to the *Notice of New National Opioids Settlement* recently received electronically by your subdivision.

The proposed settlement is being implemented in connection with Purdue's bankruptcy proceedings, and consists of, among other things, a settlement of Purdue's claims against the Sacklers and certain other parties (referred to as the "Purdue Estate Settlement"), and settlements of direct claims against the Sacklers held by States, local governments and other creditors (collectively, the "Purdue Direct Settlement", and together with the Estate Settlement, the "Purdue Settlement"). The Purdue Direct Settlement for States and local governments is documented in the Governmental Entity and Shareholder Direct Settlement Agreement.

You are receiving this *Participation Package* because all eligible States and territories, including Michigan, are participating in the Purdue Direct Settlement.

This electronic envelope contains:

- The *Participation Form* for the Purdue Direct Settlement, including a release of any claims
- A copy, for your reference, of the updated Michigan State-Subdivision Agreement, which is in the process of being ratified

The *Participation Form* must be executed, without alteration, and submitted on or before September 30, 2025, in order for your subdivision to be considered for initial participation calculations and payment eligibility under the Purdue Direct Settlement.

Based upon subdivision participation forms received on or before September 30, 2025, the subdivision participation rate will be used to determine whether participation is sufficient for the Purdue Settlement to move forward and whether a state earns its maximum potential payment under the Purdue Direct Settlement. If the Purdue Settlement moves forward and goes effective, your release will become

effective. If the Purdue Settlement does not move forward, that release will not become effective.

Any subdivision that does not participate in the Purdue Direct Settlement cannot directly share in the Purdue Direct Settlement funds, even if other subdivisions in the state are participating and sharing in those Purdue Direct Settlement funds. Any subdivision that does not participate may also reduce the amount of money for programs to remediate the opioid crisis in its state. Please note, a subdivision will not necessarily directly receive Purdue Settlement funds by participating; decisions on how Purdue Settlement funds will be allocated within a state are subject to intrastate agreements or state statutes.

You are encouraged to discuss the terms and benefits of the Purdue Settlement with your counsel, your Attorney General's Office, and other contacts within your state. Many states are implementing and allocating funds for the Purdue Settlement the same as they did for the prior opioids settlements but states may choose to treat the Purdue Settlement differently.

Information and documents regarding the Purdue Settlement, including a complete copy of the Governmental Entity and Shareholder Direct Settlement Agreement, and how it is being implemented in your state and how funds will be allocated within your state can be found on the national settlement website at <https://nationalopioidsettlement.com/purdue-sacklers-settlements/>. This website will be supplemented as additional documents are created.

Updated Michigan State-Subdivision Agreement

Michigan is in the process of ratifying an updated State-Subdivision Agreement. A copy, for your reference, is included in this packet. The updated agreement restates, combines, and amends all prior Michigan State-Subdivision Agreements. To provide greater certainty in what proposed uses of opioid settlement funds qualify as opioid remediation, and to provide greater coordination and transparency, the updated agreement: (1) allows participating local governments to request generalized guidance from the Michigan Department of Attorney General on certain topics, (2) institutes an annual reporting requirement for the State and some participating local governments, and (3) allows participating local governments and the State to ask each other for additional information about opioid expenditures or allocations.

How to return signed forms:

There are three methods for returning the executed *Participation Form* and any supporting documentation to the Implementation Administrator:

- (1) *Electronic Signature via DocuSign*: Executing the *Participation Form* electronically through DocuSign will return the signed form to the Implementation Administrator and associate your form with your subdivision's records. Electronic signature is the most efficient method for returning the *Participation Form*, allowing for more timely participation and the potential to

meet higher settlement payment thresholds, and is therefore strongly encouraged.

(2) *Manual Signature returned via DocuSign*: DocuSign allows forms to be downloaded, signed manually, then uploaded to DocuSign and returned automatically to the Implementation Administrator. Please be sure to complete all fields. As with electronic signature, returning a manually signed *Participation Form* via DocuSign will associate your signed forms with your subdivision's records.

(3) *Manual Signature returned via electronic mail*: If your subdivision is unable to return an executed *Participation Form* using DocuSign, the signed *Participation Form* may be returned via electronic mail to opioidsparticipation@rubris.com. Please include the name, state, and reference ID of your subdivision in the body of the email and use the subject line Settlement Participation Form – [Subdivision Name, Subdivision State] – [Reference ID].

Detailed instructions on how to sign and return the *Participation Form*, including changing the authorized signer, can be found at <https://nationalopioidsettlement.com/purdue-sacklers-settlements/>. You may also contact opioidsparticipation@rubris.com.

YOU MUST PARTICIPATE IN THE PURDUE DIRECT SETTLEMENT BY RETURNING YOUR PARTICIPATION FORM IN ORDER TO RECEIVE THE BENEFITS OF THE PURDUE SETTLEMENT.

Please note that this is NOT a solicitation or a request for subdivisions to submit votes on the Purdue bankruptcy plan. This settlement package only pertains to a decision to participate in the Purdue Direct Settlement. If you receive a package to vote on the plan you should follow the applicable instructions for voting. PLEASE NOTE THAT VOTING ON THE PLAN IS SEPARATE FROM PARTICIPATION IN THE PURDUE DIRECT SETTLEMENT.

The sign-on period for subdivisions ends on September 30, 2025.

If you have any questions about executing the *Participation Form*, please contact your counsel, the Implementation Administrator at opioidsparticipation@rubris.com, or Assistant Attorney General Matt Walker at 517-335-7622 or AG-OpioidLitigation@michigan.gov.

Thank you,

Implementation Administrator for the Purdue Direct Settlement

The Implementation Administrator is retained to provide the settlement notice required by the Purdue Direct Settlement to manage the collection of the participation forms for it.

MICHIGAN STATE-SUBDIVISION AGREEMENT FOR ALLOCATION OF OPIOID SETTLEMENT AGREEMENTS

The People of the State of Michigan and its communities have been harmed by misfeasance, nonfeasance, and malfeasance committed by certain entities within the pharmaceutical industry. The conduct of such Pharmaceutical Entities has caused, or contributed to the existence of, a public nuisance associated with the opioid public health epidemic.

The State, through its Attorney General, and Litigating Local Governments, through their elected representatives and counsel, are separately engaged in litigation seeking to hold the Pharmaceutical Entities accountable for the damage caused by their misfeasance, nonfeasance, and malfeasance by seeking compensation for past damages and imposing the equitable remedy of nuisance abatement. The State and Litigating Local Governments litigated their claims in their proprietary, sovereign, and quasi-sovereign capacities.

To allocate monetary payments received from these Pharmaceutical Entities, the State and Litigating Local Governments agree to the following State-Subdivision Agreement. For clarity, this Agreement restates, combines, and amends all prior State-Subdivision Agreements and provides greater detail on reporting of opioid remediation expenditures.

I. Definitions

As used in this Agreement

- A. “Administrative Fund” is 0.3% of the Local Government Share.
- B. “Actual Attorney Fees” are the aggregate contingent fees paid to a Local Litigating Attorney for work performed for a Litigating Local Government for the Settlements and associated litigation, based on a Litigating Local Government’s Actual Total Recovery. This does not include any fee payments for common benefit work as defined by the Settlements.
- C. “Actual Total Recovery” is the aggregated monetary recovery that a Litigating Local Government receives, based on that Litigating Local Government’s Final Allocation Percentage and aggregate Local Government Share less the aggregate amounts for the Administrative Fund, Special Circumstance Fund plus the aggregate amount paid by the Litigating Local Government Attorney Fee Fund. For the avoidance of doubt, this may be expressed mathematically as Actual Total Recovery = Final Allocation Percentage x (Local Government

Share – aggregate Administrative Fund –aggregate Special Circumstance Fund + aggregate paid by LLGAFF).

- D. “Agreement” is this State-Subdivision Agreement.
- E. “De minimis-share Local Government” is a Participating Local Government whose Final Allocation Percentage is less than the percentage defined below:
1. For the Distributor and Janssen National Opioid Settlements, less than 0.0023%.
 2. For the Allergan, Teva, CVS, Purdue/Sackler, Walmart, and Walgreens National Opioid Settlements, less than 0.0083%.
 3. For the Kroger Settlement and Generic Manufacturer National Opioid Settlements, less than 0.0011%.
- F. “Final Allocation Percentage” is a Participating Local Government’s Allocation Percentage as modified by the Litigation Adjustment. Attached as Exhibit A is the Final Allocation Percentage for each Local Government for each Settlement.
- G. “Litigating Local Government Attorneys” are the law firms who were retained by the Litigating Local Governments.
- H. “Litigating Local Government Attorney Fee Fund” (“LLGAFF”) is an adjustable percentage of the Local Government Share set aside for Projected Attorney Fee installment payments.
- I. “Litigating Local Governments” are the entities indicated as litigating in Exhibit C of this Agreement.
- J. “Litigation Adjustment” is an adjustment applied to the Preliminary Allocation Percentage.
- K. “Local Government Share” is the portion of the Settlement Payments payable to Participating Local Governments pursuant to this State-Subdivision Agreement.
- L. “Local Governments” are the entities located within the geographic boundaries of the State of Michigan and identified in the Exhibits that identify the litigating and eligible Local Governments in each of the Settlements.

- M. “National Contingency Fee Fund” are the individual Contingency Fee Funds established in the Settlements to compensate Litigating Local Government Attorneys.
- N. “National Fund Administrator” is the Settlement Fund Administrator as defined by the Settlements.
- O. “Neutral Special Master” is an independent mediator selected by the State.
- P. “Opioid Remediation” is the term as defined by the Settlements.
- Q. “Participating Local Governments” are the Local Governments who have signed a Participation Agreement for an individual Settlement.
- R. “Parties” are the State and the Litigating Local Governments. The singular word “Party” shall mean either the State or Litigating Local Governments.
- S. “Pharmaceutical Entities” are the “Released Entities” as defined by each individual Settlement.
- T. “Preliminary Allocation Percentage” is the percentage listed for a Local Government in Exhibit B of this agreement.
- U. “Projected Attorney Fees” are the anticipated contingent fees paid to a Litigating Local Government Attorney for work performed for a Litigating Local Government for each individual Settlement and associated litigation, based on a Litigating Local Government’s Projected Total Recovery. This does not include any fee payments for common benefit work as defined by the Settlements.
- V. “Projected Total Recovery” is the aggregated monetary recovery that an individual Litigating Local Government is projected to receive based on that Litigating Local Government’s Final Allocation Percentage and aggregate Local Government Share less the aggregate amounts for the Administrative Fund and Special Circumstance Fund. For the avoidance of doubt, this may be expressed mathematically as $\text{Projected Total Recovery} = \text{Final Allocation Percentage} \times (\text{Local Government Share} - \text{aggregate Administrative Fund} - \text{aggregate Special Circumstance Fund})$.
- W. “Reporting Local Governments” are the Local Governments identified in Exhibit D of this Agreement.
- X. “Settlements” are the following individual national opioid settlements:

1. Allergan National Opioid Settlement,
 2. CVS National Opioid Settlement,
 3. Distributors National Opioid Settlement,
 4. Janssen National Opioid Settlement
 5. Kroger National Opioid Settlement,
 6. Purdue/Sackler National Opioid Settlement
 7. Generic Manufacturer National Opioid Settlements, which includes:

 9. Walgreens National Opioid Settlement
 10. Walmart National Opioid Settlement

- Z. “Special Circumstance Fund” is 5% of the Local Government Share for each applicable Settlement.
- AA. “State” is the State of Michigan acting through its Attorney General or designees.
- BB. “State Share” is the portion of the Settlement Payments payable to the State pursuant to this State-Subdivision Agreement.

II. Terms

- 1. Participation in Settlements: The Parties agree that to participate in the Settlements, Local Governments must execute a Participation Agreement.
- 2. Opioid Remediation: All Settlement Payments shall be utilized by Participating Local Governments and the State for Opioid Remediation, except as otherwise allowed by the Settlements. A minimum of 70% of Settlement Payments must be used solely for future Opioid Remediation.

- 3. Distribution:

Settlement Payments are allocated as follows:

- 50% of Settlement Payments to the Local Government Share
- 50% of Settlement Payments to the State Share

- 4. Local Government Share Offset: Prior to Participating Local Governments receiving their Final Allocation Percentage of the Local Government Share, amounts will be deducted for the following funds:

For the Allergan, CVS, Distributor, Janssen, Purdue/Sackler, Generic Manufacturer, Teva, Walgreens, and Walmart National Opioid Settlements:

- Administrative Fund
- Litigating Local Government Attorney Fee Fund
- Special Circumstance Fund

For the Kroger National Opioid Settlement:

- Litigating Local Government Attorney Fee Fund

5. Litigation Adjustment: The Parties recognize that the Litigating Local Governments expended time, resources, and assumed risk in the pursuit of litigation against the Pharmaceutical Entities. Exhibit C of this Agreement provides a list of Litigating Local Governments and the year in which they filed suit. In recognition of their commitment and contribution, the Litigating Local Governments are entitled to a Litigation Adjustment of an additional percentage of their Preliminary Allocation Percentage, as follows:

For the Distributor and Janssen National Opioid Settlements:

- 16% Litigation Adjustment for Litigating Local Governments that served as a bellwether or filed suit in 2017
- 12% Litigation Adjustment for Litigating Local Governments that filed suit in 2018
- 8% Litigation Adjustment for Litigating Local Governments that filed suit in 2019

For the Allergan, CVS, Purdue/Sackler, Teva, Walgreens, and Walmart National Opioid Settlements:

- 12% Litigation Adjustment

For the Kroger and Generic Manufacturer National Opioid Settlements:

- 10% Litigation Adjustment

6. Accelerated Participation Payments: Prior to the distribution of the State Share, the National Fund Administrator shall allocate the Projected Total Recovery for all De minimis-share Local Governments from the State Share to those De minimis-share Local Governments. This allocation shall be made in the first Settlement Payment. In subsequent Settlement Payments, the National Fund Administrator shall direct distributions of all De minimis-share Local Governments to the State Share.
7. Non-Participant Reallocation: If a non-county Local Government does not participate in the Settlement, then that non-county Local Government's share shall revert to the county(ies) in which it is located. If a county Local Government does not participate in the Settlements, that county's share shall be reallocated to the Participating Local Governments.

8. Litigation Costs: To the extent that Litigating Local Government Attorneys receive cost reimbursement from the National Contingency Fee Fund, then such reimbursed costs shall be deducted from any remaining entitlement to costs as provided under individual retention agreements.
9. Attorney Fees:
 - a. Attorney fee payments may be paid from the LLGAFF, but only in years where Settlement Payments to the Local Government Share are greater than \$0.00.
 - b. To the extent that the LLGAF is drawn upon for paying a portion of a Litigating Local Government's attorney fees for any individual Settlement, Projected Attorney Fees for that Settlement shall be calculated as 15% of an individual Litigating Local Government's Projected Total Recovery.
 - c. Projected Attorney Fees shall be paid by installments intended to minimize the amount of variability in payments to local governments. In no event shall the number of installments exceed (i) the first seven Settlement Payments; or (ii) the total number of Settlement Payments.
 - d. Litigating Local Government Attorneys must apply to the respective National Contingency Fee Fund for each Settlement and seek the maximum allowable contribution to their fee. To the extent that a Litigating Local Government Attorney applies to a National Attorney Contingency Fee Fund and that National Attorney Contingency Fee Fund does not pay the full Projected Attorney Fee installment payment, the LLGAFF shall pay the deficiency for that installment. If a Litigating Local Government Attorney does not apply to the National Attorney Contingency Fee Fund, the LLGAFF shall not pay any deficiency. A Projected Attorney Fee payment from the LLGAFF may not exceed any restrictions in the respective national settlement agreement applicable to such payments that restrict the amount of settlement funds that may be allocable to non-Opioid Remediation purposes from each of those settlements.
 - e. In instances where the LLGAF is drawn upon to pay a deficiency as set forth in paragraph 9.c, the sum of all deficiency payments for that respective settlement shall be no more than:

For the Allergan, CVS, Distributor, Janssen, Purdue/Sackler, Teva, Walgreens, and Walmart National Opioid Settlements:

- 15% of the Litigating Local Government's Projected Total Recovery

For the Kroger and Generic Manufacturer National Opioid Settlements:

- 5% of the Litigating Local Government's Projected Total Recovery

- f. In instances where the LLGAF is drawn upon to pay a deficiency as set forth in paragraph 9.c, Actual Attorney Fees shall be no greater than 15% of a Litigating Local Government's Actual Total Recovery. In instances where the LLGAF is not drawn upon to pay a portion of contingent attorney fees, such fees shall be paid from the National Contingency Fee Fund as set forth under that Settlement with whatever restrictions are applicable to that Settlement.
- g. In instances where the LLGAF is drawn upon to pay a portion of attorney fees, if a Litigating Local Government's Actual Total Recovery is less than the Projected Total Recovery, the Litigating Local Government Attorney shall return the amount received that is greater than 15% of the Litigating Local Government's Actual Total Recovery.
- h. In instances where the LLGAF is drawn upon to pay a portion of attorney fees, the Parties shall endeavor to reconcile any timing discrepancies between fee payments from the National Contingency Fee Fund and the LLGAFF to assure payment of a 15% Attorney Fee.

10. Special Circumstance Fund:

- a. An application to receive additional funding for any local impact of the opioid epidemic that is not captured by a Local Government's Allocation Percentage may be submitted to the Neutral Special Master for consideration. The Neutral Special Master will decide the additional funding to be paid, if any, to all applicants on an application-by-application basis. The allocation decisions of the Neutral Special Master shall be final and not appealable. An application to the Special Circumstance

Fund may not be made with the express purpose of offsetting the Litigation Adjustment.

- b. Any additional funding allocated under this paragraph shall only be paid from the Special Circumstance Fund.
- c. The Neutral Special Master shall be paid solely from the Administrative Fund.
- d. The deadline for initial applications to the Allergan, CVS, Distributors, Janssen, Teva, Walgreens, and Walmart Special Circumstance Fund occurred on November 10, 2023. Applications were reviewed and an allocation determination was made by the Neutral Special Master. These Special Circumstance Fund allocation determinations expire after 2030.
- e. An application period for the Purdue/Sackler and Generic Manufacturer Special Circumstance Fund shall be available in 2026 or 2027. The specific application deadline shall be determined by the Michigan Department of Attorney General. Notice of the deadline shall be provided to all Participating Local Government at least two months prior to the deadline.
- f. An additional application for all Settlements where the Special Circumstance Fund offset is applicable shall be available in 2030. Any allocation decision shall apply to Special Circumstance Funds withheld in 2031 and shall continue to apply to Special Circumstance Funds withheld from the remaining Settlement Payments for each Settlement. The specific application deadline shall be determined by the Michigan Department of Attorney General. Notice of the deadline shall be provided to all Participating Local Government at least two months prior to the deadline.
- g. Attorney fees may be assessed on a Special Circumstance Fund allocation. To the extent that an attorney asserts a contingency fee interest upon a Special Circumstance fund allocation, that fee interest shall be capped at 15% of the fund allocation. Payment of attorney fees for a Special Circumstance fund allocation are the responsibility of the Participating Local Subdivision.

11. Allocation of Remaining Local Government Share: The remainder of the Local Government Share after offsets shall be distributed to Participating Local Governments in accordance with each Participating Local Government's Final Allocation Percentage.
12. Escrow Agent: An Escrow Agent shall be agreed upon by the State and a majority of the Litigating Local Governments to administer the distribution of the Local Government Share and all funds contained within it pursuant to this State-Subdivision Agreement. The Escrow Agent shall be entitled to a reasonable fee for their services, which shall be paid solely from the Administrative Fund. Alternatively, the Parties may explore whether the Escrow Agent's role can be fulfilled by the Settlement Fund Administrator as that term is defined in the Settlements.
13. Reversion to Local Government Share:
 - a. Any amounts remaining in the Administrative Fund shall remain in such fund until all anticipated administrative costs associated with implementation of this agreement have been paid, after which any remaining funds may revert to the Local Government Share for distribution to Participating Local Governments in accordance with their Final Allocation Percentage applicable to the Settlement from which the money was withheld.
 - b. Any portion of the Special Circumstance Fund withheld from each Settlement that is unallocated by the Neutral Special Master shall revert to the Local Government Share for distribution to Participating Local Governments, in accordance with their Final Allocation Percentage applicable to that Settlement.
 - c. Any amounts remaining in the LLGAFF after paying the Projected Attorney Fee annual installment payment shall revert to the Local Government Share for distribution to Participating Local Governments in accordance with their Final Allocation Percentage applicable to the Settlement from which the money was withheld. Any amount reverted to the Local Government Share shall be distributed no later than the next Settlement Payment.

14. Use and Reporting of Settlement Fund Expenditures for Opioid Remediation:

To provide greater certainty in what proposed uses of Settlement Funds qualify as Opioid Remediation, and to provide greater coordination and transparency of the uses of such funds, the Parties agree as follows:

- a. At the request of a Participating Local Government, or on its own accord, the Michigan Department of Attorney General may issue generalized guidance about the Settlements, this Agreement, or whether proposed expenditures of Settlement Payments qualify as Opioid Remediation. Issuance of generalized guidance is solely within the discretion of the Michigan Department of Attorney General.
- b. Starting with Fiscal Year 2026, the State, and Reporting Local Governments that receive Settlement Payments under any of the Settlements shall provide documentation sufficient to show the receipt and expenditure of such funds. Such documentation may take one of two forms:
 - i) The State or Reporting Local Government may produce an annual fiscal year report, similar in form to Exhibit F, which states a. how much money they have received from Settlement Payments in the fiscal year, b. how much money from Settlement Payments they have spent or allocated in the fiscal year, and c. a description of where the Settlement Payments were allocated to or what the Settlement Payments were spent on; or
 - ii) As an alternative to production of an annual fiscal year report, the State or Reporting Local Government may produce budgeting and accounting documents that are sufficient to identify the items listed above.

The State and Reporting Local Governments shall provide such documents on an annual basis, at minimum. A report is not necessary if a Reporting Local Government voluntarily assigns 100% of its share to other Participating Local Governments. The State may provide the necessary information via webpage. Reporting Local Governments may provide their report electronically.

- c. The State and Participating Local Governments may make requests for additional information about an expenditure or allocation. Requests to the State for additional information shall be directed to the Department of Attorney General.

III. Other Terms and Conditions

1. Governing Law and Venue: This agreement will be governed by the laws of the State of Michigan. Any and all litigation arising under the Settlements or this Agreement, unless otherwise specified in this Agreement, will be instituted in either: (a) the Court that enters the Order if the matter deals with a matter covered by the Order and the Court retains jurisdiction; or (b) the appropriate state court in Michigan.
2. Modification: This agreement may only be modified by a written amendment between the appropriate Parties. No promises or agreements made after the execution of this agreement shall be binding unless expressly reduced to writing and signed by the Parties.
3. Execution in Counterparts: This agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.
4. Assignment: The rights granted in this agreement may not be assigned or transferred by any Party without the prior written approval of the other Party. No Party shall be permitted to delegate its responsibilities or obligations under this agreement without the prior written approval of the other Parties.
5. Additional Documents: The Parties agree to cooperate fully and execute any and all supplementary documents and to take all additional actions which may be reasonably necessary or appropriate to give full force and effect to the basic terms and intent of this agreement.
6. Captions: The captions contained in this agreement are for convenience only and shall in no way define, limit, extend, or describe the scope of this agreement or any part of it.
7. Entire Agreement: This agreement, including any attachments, embodies the entire agreement of the Parties. There are no other provisions, terms, conditions, or obligations. This agreement supersedes all previous oral or written communications, representations, or agreements on this subject.

8. Construction: The Parties mutually acknowledge and represent that they have been fully advised by their respective legal counsel of their rights and responsibilities under this agreement, that they have read, know, and understand completely the contents of this Agreement, and that they have voluntarily executed the same. The Parties further mutually acknowledge that they have had input into the drafting of this agreement and that, accordingly, in any construction to be made of this agreement, it shall not be construed for or against any Party, but rather shall be given a fair and reasonable interpretation, based on the plain language of the agreement and the expressed intent of the Parties.

Re: Execution of contract with ImageTrend

ImageTrend is a company that provides an online service portal to Meridian Township. The service has been utilized for over a decade and is used to manage information related to the Ambulance service operated by Township Fire Department. The service is now being expanded to manage Call for Service Information for all Fire operations and replacing the previously used Zoll Fire RMS. This is a brief summary of the information that will be managed with ImageTrend moving forward:

1. Patient information for anyone being provided service by Meridian Township paramedics.
2. Care provided to patients both on-scene and in-transport where applicable.
3. Medications provided to patients during treatment.
4. Information related to the provision of services on any Fire Department call for service.
5. Submission of call for service information to state & federal agencies that manage emergency response (NERIS) and establish eligibility for federal assistance.

Services 4 & 5 are being added with the execution of the attached contract, but the language is otherwise substantially similar to previous years' contracts.

This modification is being made at this time due to the current RMS provider not providing connection to the newly implemented national reporting system.

As such, the following motion is presented for the Board's consideration:

"Move to execute the order with imagetrend, expanding the existing contract to now include NERIS-compliant reporting of fire services"

**Re: Planned Unit Development 25-012 – 3560 Hulett Road –
Reschedule Public Hearing**

At the August 7th Township Board Meeting, the Board scheduled a public hearing for the Hulett Road Estates project for the August 19th meeting. After discussing with Staff, it was determined that the public hearing would need to be pushed back one meeting to meet all necessary noticing requirements. No notices have yet been sent to the public and nothing has been published in the paper, so all that needs to happen at this point is to reschedule the hearing for the Township Board's meeting on the 2nd.

As a reminder, Planned Unit Development proposals require public hearings at both the Planning Commission and Township Board level in order to be considered. Staff has provided the following recommended motion to reschedule the public hearing and continue to move the project forward. The matter will be back in front of the Board for discussion at the September 2nd meeting.

Move to reschedule the public hearing for PUD 25-012, 3560 Hulett Road, Giguere Homes, to the September 2, 2025 Township Board meeting.

Re: Charitable Gaming License

Local nonprofit organizations can be granted temporary charitable gaming licenses for fundraising purposes. The State of Michigan requires that local governments approve a resolution to be recognized as a local charitable organization. The Fastpitch Softball Club of Haslett is requesting such a resolution so they can hold a BINGO event.

Staff recommends the resolution be approved and proposes the following motion:

>> Good Afternoon Mr. Dempsey,

>> I am reaching out on behalf of the Fastpitch Softball Club of Haslett. As we are gearing up for a new year of fundraising, we are preparing to host a BINGO fundraiser in which we are seeking approval from then State of Michigan, Charitable Gaming Division (CGD) to proceed. The fundraiser will support items such as a new pitching machine, equipment and field upkeep. The CGD has requested confirmation from the board confirming that the Fastpitch Softball Club of Haslett is a legitimate non-profit supporting youth softball. I would greatly appreciate it if you could complete the attached local civic qualifications form as noted on page 3 and request approval from the Board at your upcoming meeting. The CGD approval process will take 4-6 weeks, your consideration to be included in next weeks agenda would be so helpful to get the ball moving.

Re: Text Amendment #2025-06 – Rooster Regulation - INTRODUCTION

Text Amendment #2025-06 is an ordinance update initiated by the Staff to address the regulation of roosters in the Township. After some complaints and review our current ordinances, Staff discussed this matter with the Township Attorney and we determined that an ordinance update was warranted. The proposed changes would prohibit roosters within the Urban Services Boundary that the Township has established. This will help prevent conflicts between land uses where development has occurred near RR, Rural Residential, zoned properties within the Urban Services Boundary.

This matter was discussed by the Planning Commission at their [June 23, 2005](#) meeting. A Public Hearing was held on the proposed change at the [July 14, 2025](#) meeting and a recommendation to the Township Board was made at the [July 28, 2025](#) meeting. Packets for each of those meetings can be found at the links above. The Township Board had an initial discussion of the proposal at their [August 7, 2025](#) meeting and raised no major questions.

Staff **recommends approval for introduction** of the proposed ordinance at this time to amend the Code of Ordinances to update the regulations for roosters in the Township. Staff has provided the following recommended motion and attached resolution to introduce the ordinance.

Move to adopt the resolution approving for introduction Text Amendment #2025-06 to amend the Code of Ordinances of the Charter Township of Meridian at Section 86-368 to update the standards for the keeping of roosters the Township.

**Zoning Amendment #2025-06
Rooster Regulations**

RESOLUTION

At a regular meeting of the Township Board of the Charter Township of Meridian, Ingham County, Michigan, held at the Meridian Municipal Building, in said Township on the 19th day of August, 2025, at 6:00 p.m., Local Time.

PRESENT: _____

ABSENT: _____

The following resolution was offered by _____ and supported by _____.

WHEREAS, Roosters are currently permitted as an agricultural animal on any property zoned RR, Rural Residential; and

WHEREAS, Staff has received a series of complaints regarding roosters in recent years; and

WHEREAS, There are a number of RR zoned parcels that are located in the more urbanized areas of the Township, leading to potential land use conflicts with roosters; and

WHEREAS, the Planning Commission reviewed the matter on June 23, 2025 and held a public hearing on July 14, 2025, before recommending unanimous approval to the Township Board on July 28, 2025; and

WHEREAS, the Township Board reviewed the matter at their August 7, 2025 meeting and raised no major concerns, directing Staff to bring forward introduction of the ordinance;

NOW THEREFORE, BE IT RESOLVED THE TOWNSHIP BOARD OF THE CHARTER TOWNSHIP OF MERIDIAN hereby INTRODUCES FOR PUBLICATION AND SUBSEQUENT ADOPTION Ordinance No. 2025-06, entitled "An Ordinance to amend the Zoning Ordinance of the Charter Township of Meridian at Article IV, District Regulations, to update the standards for the regulation of roosters"; and

Re: Parking Lot Landscaping Ordinance Update

As the second part of Staff's update to the Township parking standards, this proposed ordinance would update the landscaping requirements in the ordinance. The Planning Commission began work on these changes after the review of the numerical standards for parking for different uses, which the Township Board recently adopted. All of the proposed changes are specific to Section 86-758 and will modernize landscaping requirements in the Township. Highlights include:

- Improving details of how perimeter landscaping is calculated/required. This will help for clarity purposes in site plan review.
- Clarifying when parking lot landscaping needs to be brought into compliance with the ordinance, something that will become more important as we see more redevelopment.
- Clarifying the type of ground cover permitted. This provision will allow for more creativity and potential sustainability in design, by specifically encouraging rain gardens, native plantings, and xeriscaping, over stone and mulch installations.

The Planning Commission has discussed this on multiple occasions, working through questions and details of the ordinance. Discussion occurred on [April 28, 2025](#), [June 9, 2025](#), and [June 23, 2025](#). A public hearing was held on the proposed changes on [July 14, 2025](#) with a final recommendation of approval to the Township Board made during the [July 28, 2025](#) meeting.

Staff looks forward to discussing this with the Township Board.

FOR ALL ZONING DISTRICTS

THE CHARTER TOWNSHIP OF MERIDIAN ORDAINS:

Section 1. Section 86-758, Landscaping, is hereby amended to read as follows:

In addition to any landscaping required in any particular district, all parking areas shall be landscaped in accordance with the following provisions:

(1) Landscaping. Landscaping shall be installed and designed to control traffic, provide shade, screen views into and within vehicular use areas, and separate the parking, circulation, and service areas, in accordance with the following provisions:

a. Parking lot perimeter landscaping shall be provided surrounding the parking lot in the amount of one square foot of landscaping per 20 square feet of parking lot pavement.

- 1. Street trees shall count as both street tree and parking lot perimeter landscaping.
- 2. Landscaping is required to be outside of the required building and parking lot setbacks.

b. Parking lot landscape islands shall be provided throughout the parking area in the amount of 200 square feet for each 10 parking spaces, subject to the following:

- 1. No landscaped area shall have a dimension less than 10 feet nor an area less than 200 square feet.
- 2. One shrub per 50 square feet shall be planted on parking lot islands in addition to a tree.

- a. All newly constructed buildings.
- b. Expansion of a use that anticipates a 10% or greater increase in required off-street parking spaces.

c. A minimum of two canopy trees shall be provided for every 10 parking spaces, meeting the following standards:

- 1. Canopy trees shall be a minimum of 2.5 inches in caliper at time of planting.
- 2. Conifer trees shall be a minimum of eight feet in height at time of planting.

d. Ground Cover. The types of ground cover listed below are required for any parking lot landscape installation:

- a. Natural Vegetation. These are listed in the Michigan State University Native Plants and Ecosystem Services Southern Lower Peninsula Regional Plant List, or those species that occurred within nearby municipal boundaries prior to European settlement, according to available historical and scientific evidence. These species shall not require pesticide and herbicide applications, to eliminate toxicity to local wildlife and aquatic habitats.
- b. Rain Gardens. A non-engineered shallow landscaped depression, with compost-amended native soils and adapted plants. The depression is designed to pond and temporarily store stormwater runoff from adjacent areas, and to allow stormwater to pass through the amended soil profile.
- c. Xeriscape. Landscaping which reduces or eliminates the need for irrigation shall be encouraged.
- d. Mulch. Ten percent of a parking lot island shall be a mulch planting bed with flowers or flowering shrubs.

- 1 a. Rocks & stones. Shall not be permitted as a primary ground cover and may only
- 2 be used in building perimeter landscaping and in limited situations where
- 3 mulching may otherwise be problematic with storm drainage plans, as approved
- 4 by the Director of Community Planning and Development.
- 5 e. Vehicles shall not be permitted to extend into landscaped areas. Landscaped areas shall
- 6 be protected from encroachment by the use of curbing, wheel stops, or similar means.
- 7 (2) Building perimeter landscaping.
- 8 a. Shall be planted along building walls visible from a public street or from a parking
- 9 lot. Shall consist of a mixture of landscaping and approved ground cover types.
- 10 b. Must have a minimum of 4 feet in width
- 11 (3) Maintenance of landscaping. All landscaped areas shall be maintained in a healthy condition
- 12 and kept free of refuse and debris.
- 13 a. Irrigation. Irrigation of trees and shrubs is required unless xeriscape plantings have
- 14 been approved by the Director of Community Development and Planning.
- 15 b. Landscape upkeep. Dead, diseased, or missing vegetation shall be replaced within 30
- 16 days, or as soon as weather permits.
- 17 c. Snow storage. To protect vegetation, interior landscaped islands less than 20 feet in
- 18 each dimension shall not be used for snow storage.

21 **Section X.** Validity and Severability. The provisions of this Ordinance are severable and the
