

Meridian Township Parks and Recreation

Volunteer and Donor Wish List

The business community, non-profit organizations, service groups and individual residents all play a key role in supporting and maintaining the high quality and success of our park system and recreation services. Every effort, whether large or small, contributes significantly to the overall parks and recreation experience. There are a variety of ways to demonstrate your support.

Parks

- Gardens - weeding, planting, maintenance; one time or adopt-a-garden
- Invasive species removal and habitat restoration
- Financial contribution for park projects, such as inclusive play structure upgrades
- Donate bird seed and suet at Harris Nature Center
- Trail clean-up

Recreation

- Contribute to a scholarship fund: recreation, summer camps or HNC school programs
- Volunteer youth sports officiating
- Volunteer coaches
